AGENDA ITEM: XIV.B.

SUBJECT: Approval of Interlocal Agreement (ILA) between Boynton Beach CRA and City of Boynton Beach for the installation and maintenance of Project improvements as described in the Solid Waste Authority's (SWA) Blighted and Distressed Property Clean-up and Beautification Grant Program Application and funding award.

SUMMARY: CRA staff wrote a grant for the Solid Waste Authority's Blighted and Distressed Property Clean-up and Beautification Grant Program in collaboration City staff for improvements to the Heart of Boynton neighborhood. The grant activities include demolition of a building and sodding of the lot located at 909 N. Seacrest, painting of the perimeter wall, new fencing, irrigation and landscaping at the Public Works site and clearing and grubbing of the CRA-owned block at N.E. 4th/5th Avenues (see Attachment "A").

Staff was notified on Tuesday, February 3, that the CRA was awarded the full request of \$62,000 for the three projects. The overall Project will be completed by August 31, 2016 and the total cost of the three projects is estimated at \$93,547. The amount requested and awarded from the SWA is \$62,300 leaving a match from the CRA of \$31,247 or 33%.

Under the SWA Grant Award, maintenance of the completed Project items as described in the Heart of Boynton Neighborhood Improvement Project Grant Application is required by the CRA and the City. The attached ILA between the CRA and the City describes the funding and maintenance responsibilities for both entities and meets the requirements of the grant conditions as outlined in CRA's Interlocal Agreement with the SWA (see Attachment "B").

FISCAL IMPACT: \$31,247 as a match to the \$62,300 in grant funding – from FY 15/16 Budget line item 02-58200-405

CRA PLAN, PROGRAM OR PROJECT: Heart of Boynton Community Redevelopment Plan

RECOMMENDATIONS: Approval of Interlocal Agreement (ILA) between Boynton Beach CRA and City of Boynton Beach for the installation and maintenance of Project improvements as described in the Solid Waste Authority's (SWA) Blighted and Distressed Property Clean-up and Beautification Grant Program Application and funding award.
