All contractor/dealers referencing this contract for the purpose of facilitating sales (purchase authority) outside the State of Florida must accept the terms and conditions of this contract.

In order to ensure quality service for our user agencies, we are requesting each of you to notify the Florida Sheriffs Association regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at [fleet@flsheriffs.org](mailto:fleet@flsheriffs.org). This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.

## CONTRACT ORDERING INSTRUCTIONS

***All interested parties who wish to purchase from this contract may do so by following these simple procedures:***

1. Contact the awarded dealership listed in the zone from which you wish to purchase and advise them of your interest to purchase from **Bid No. FSA16-VEL24.0**. They will assist you with the placement of your order and answer any questions you may have regarding the vehicles purchased through this program. **You can only purchase from a dealer who is listed as a winner of one of the four zones for the vehicle you wish to purchase. However, you may purchase from any awarded dealer within any zone (additional delivery fees may apply).**

Agencies ordering a Ford, General Motors, Chrysler, or Toyota product, please be advised that you must use the appropriate FIN Code/FAN Code for the Florida Sheriffs Association in order to obtain the manufacturer's concessions. Also, you must use your FIN Code/FAN Code as a secondary number. For further assistance call the Fleet Customer Information Center for your appropriate manufacturer.

Manufacturer	Type Code	FSA Code	Fleet Center Contact Numbers
Ford	FIN Code	QE065	1-800-34-FLEET (1-800-343-5338)
General Motors	FAN Code	917872	1-800-FLEET OP (1-800-353-3867)
Chrysler	FAN Code	48830	1-800-999-FLEET (1-800-999-3533)
Toyota	FIN Code	GE159	1-800-732-2798

2. **Basic information required on all purchase orders** is listed in this Bid Award Announcement. Purchase orders lacking the required basic information listed may result in the delay of placement and/or confirmation of orders. **NOTE:** The agency is responsible for obtaining a "Confirmation of Order" from the respective dealership. Dealers are required to complete a "Confirmation of Order" and send it to the purchaser within fourteen (14) calendar days after receipt of purchase order. Purchasers are encouraged to contact the dealer if a "Confirmation of Order" has not been received within a reasonable time.

Purchasers are reminded that the issuance of a purchase order does not in itself guarantee the placement of an order.

The purchase order should include FSA's Contract Number FSA16-VEL24.0 as well as the specification number, make and model of each item purchased. Please attach the dealer quote when available.

3. **Purchasers must send a copy of the original purchase order sent to the participating dealer in pdf format to: COOP@flsheriffs.org.**

4. Dealers have already included a three-quarter of one percent (.0075) administrative fee in their base pricing and all add options that are listed. Dealers' quotes to purchasers should not include the FSA administrative fee indicated as a separate line item on any purchase order.

No other administrative fee(s) will be applicable to any transaction relative to the contract.

5. In order to ensure quality service for our user agencies, we are requesting that you notify the Florida Sheriffs Association, in writing, regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at [fleet@flsheriffs.org](mailto:fleet@flsheriffs.org). This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.
6. Add/delete options might include a superscript listed by the Order Code. The purpose of the superscript is to identify which options correlate to a specific zone. Superscripts will be numbered between 1 and 4, and will correspond as follows:

1 = Western zone dealer	2 = Northern zone dealer
3 = Central zone dealer	4 = Southern zone dealer

*If a dealer has been awarded more than one zone, they will only have one superscript number assigned, and it will be the lowest numeric number that applies to their awarded zones. For example: If a dealer is awarded the northern and southern zones, their add/delete options for both zones will be represented by a "2" superscript.*

### **MID-SIZE 4-DOOR ADMINISTRATIVE VEHICLES SPECIFICATION #18**

#### **2017 Ford Fusion (P0G)**

The Ford Fusion (P0G) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

<b>ZONE:</b>	<b>★ Western</b>	<b>★ Northern</b>	<b>★ Central</b>	<b>Southern</b>
<b>BASE PRICE:</b>	<b>\$17,032.00</b>	<b>\$16,865.00</b>	<b>\$17,032.00</b>	<b>\$17,057.00</b>

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

**NOTE:** An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

<b>BASE PRICE:</b>	<b>\$20,044.00</b>	<b>\$20,006.00</b>	<b>\$20,308.00</b>	<b>\$20,699.00</b>

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

**NOTE:** An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order.
