Subject: FW: Specifications and Quote for Boynton Beach
Attachments: Boynton Beach ACMD REL 16yd Spec WO \$\$\$\$.pdf; 2017 FSA SA Rear Loader PT1000 16yd Boynton Beach.docx

Finally received numbers from Autocar on the 16yd just this minute. I am keeping them separate from my quote as this unit has a rather high price tag. Please remember we can mount on anything you would like. My quote says Sheriffs but it s the same regardless of NJPA or Sheriffs. Thanks

The Heil Co.

Contract#: 112014-THC

Category: Waste & Recycling

Description: Waste & Recycling Collection Vehicles and Related Equipment

Maturity Date: 12/16/2018

NUPA AWARDED CONTRACT

Heil is the industry leader in mobile refuse equipment design and specialized refuse body manufacturing. Since 1901, we have built a reputation for quality, durability, and innovation in the solid waste industry. We offer the widest variety of refuse collection bodies available, including front loaders, rear loaders, automated and manual side loaders, multi-compartment recycling units, and hook lift and cable hoist units for roll-off containers. Heil, through Curotto Can, also offers a wide variety of automated carry cans. Our carry cans can be added to many front loader models to convert a collection vehicle used for commercial routes to one that can be used to also pick up residential waste and recycling – all with unmatched productivity.

You can be confident that your investment in Heil refuse collection equipment brings a long-term business partnership with the lowest Total Cost of Ownership (TCO) in the industry.

1 DEFINITIONS

A. CONTRACT

“Contract” as used herein shall consist of: this RFP, pricing, fully executed forms C, D, F & P from the Proposer’s response pursuant to this RFP, and a fully executed form E (“Acceptance and Award”) with final terms and conditions. Form E will be executed on or after award and will provide final clarification of terms and conditions of the award.

B. CURRENCY

All transactions are payable in U.S. dollars on U.S. sales. All administrative fees are to be paid in U.S. dollars.

C. EXCLUSIVE VENDOR

A sole Vendor awarded in a product category. NJPA reserves the right to award to an Exclusive Vendor in the event that such an award is in the best interests of NJPA Members nationally. A Proposer that exhibits and demonstrates the ability to offer and execute an outstanding overall program, demonstrates the ability and willingness to serve NJPA current and qualifying Members in all 50 states and comply with all other requirements of this RFP, is preferred.

D. FOB

FOB stands for “Freight On Board” and defines the point at which responsibility for loss and damage of product/equipment purchased is transferred from Seller to Buyer. “FOB Destination” defines that transfer of responsibility for loss is transferred from Seller to Buyer at the Buyer’s designated delivery point. FOB does not identify who is responsible for the costs of shipping. The responsibility for the costs of shipping is addressed elsewhere in this document.

E. HUB PARTNER

An organization that a member requests to be served through with an Awarded Vendor for the purposes of complying with a Law, Regulation, or Rule to which that individual NJPA Member deems to be applicable in their jurisdiction.

F. PROPOSER

A company, person, or entity delivering a timely response to this RFP.

G. REQUEST FOR PROPOSAL

Herein referred to as RFP.

H. SOURCED GOODS

A Sourced Good or Open Market Item is a product within the RFP’s scope - generally deemed incidental to the total transaction or purchase of contract items - which a member wants to buy under contract from an Awarded Vendor that is not currently available under the Vendor’s NJPA contract.

I. TIME

Periods of time, stated as number of days, shall be in calendar days.

J. TOTAL COST OF ACQUISITION

The Total Cost of Acquisition for the equipment/products and related services being proposed is the cost of the proposed equipment/products and related services delivered and operational for its intended purpose in the end-user’s location.

K. VENDOR

A Proposer whose response has been awarded a contract pursuant to this RFP.

2 ADVERTISEMENT OF RFP

2.1 NJPA shall advertise this solicitation: 1) for two consecutive weeks in both the hard copy print and on-line editions of the MINNEAPOLIS STAR TRIBUNE; 2) once each in Oregon's Daily Journal of Commerce, South Carolina's The State and Utah's Salt Lake Tribune; 3) on NJPA's website; 4) in the hard copy print and online editions of the USA Today; and 5) on other third-party websites deemed appropriate by NJPA. Other third party advertisers may include Onvia, PublicPurchase.com, MERX and Biddingo.

2.2 NJPA also notifies and provides solicitation documentation to each State level procurement departments for possible re-posting of the solicitation within their systems and at their option for future use and to meet specific state requirements.

3 INTRODUCTION

A. ABOUT NJPA

3.1 The National Joint Powers Alliance® (NJPA) is a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership. Eligible membership and participation includes states, cities, counties, all government agencies, both public and non-public educational agencies, colleges, universities and non-profit organizations.

3.2 Under the authority of Minnesota state laws and enabling legislation, NJPA facilitates a competitive bidding and contracting process on behalf of the needs of itself and the needs of current and potential member agencies nationally. This process results in national procurement contracts with various Vendors of products/equipment and services which NJPA Member agencies desire to procure. These procurement contracts are created in compliance with applicable Minnesota Municipal Contracting Laws. A complete listing of NJPA cooperative procurement contracts can be found at www.njpacoop.org.

3.3 NJPA is a public agency governed by publicly elected officials that serve as the NJPA Board of Directors. NJPA's Board of Directors calls for all proposals, awards all Contracts, and hosts those resulting Contracts for the benefit of its own and its Members use.

3.3.1 **Subject to Approval of the NJPA Board:** NJPA contracts are awarded by the action of NJPA Board of Directors. This action is based on the open and competitive bidding process facilitated by NJPA. The evaluation and resulting recommendation is presented to the Board of Directors by the NJPA Proposal Evaluation Committee.

3.4 NJPA currently serves over 50,000 member agencies nationally. Both membership and utilization of NJPA contracts continue to expand, due in part to the increasing acceptance of Cooperative Purchasing throughout the government and education communities nationally.

B. JOINT EXERCISE OF POWERS LAWS

3.5 NJPA cooperatively shares those contracts with its Members nationwide through various Joint Exercise of Powers Laws or Cooperative Purchasing Statutes established in Minnesota, other States and Canadian Provinces. The Minnesota Joint Exercise of Powers Law is Minnesota Statute §471.59 which states "Two or more governmental units...may jointly or cooperatively exercise any power common to the contracting parties..." This Minnesota Statute allows NJPA to serve Member agencies located in all other states. Municipal agencies nationally have the ability to participate in cooperative purchasing activities as a result of specific laws of their own state. These laws can be found on our website at <http://www.njpacoop.org/national-cooperative-contract-solutions/legal-authority/>.

C. WHY RESPOND TO A NATIONAL COOPERATIVE PROCUREMENT CONTRACT

3.6 National Cooperative Procurement Contracts create value for Municipal and Public Agencies, as well as for Vendors of products/equipment and services in a variety of ways:

3.6.1 National cooperative contracts potentially save the time and effort of Municipal and Public Agencies who would have been otherwise charged with soliciting vendor responses to individual RFP's, resulting in individual contracts, to meet the procurement needs of their respective agencies. Considerable time and effort is also potentially saved by the Vendors who would have had to otherwise respond to each of those individual RFPs. A single, nationally advertised RFP, resulting in a single, national cooperative contract can potentially replace thousands of individual RFPs for the same equipment/products/services that might have been otherwise advertised by individual NJPA member agencies.

3.6.2 NJPA contracts offer our Members nationally leveraged volume purchasing discounts. Our contract terms and conditions offer the opportunity for Vendors to recognize individual member procurement volume commitment through additional volume based contract discounts.

3.7 State laws that permit or encourage cooperative purchasing contracts do so with the belief that cooperative efficiencies will result in lower prices, better overall value, and considerable time savings.

3.8 The collective purchasing power of thousands of NJPA Member agencies nationwide offers the opportunity for volume pricing discounts. Although no sales or sales volume is guaranteed by an NJPA Contract resulting from this RFP, substantial volume is anticipated and volume pricing is requested and justified.

3.9 NJPA and its Members desire the best value for their procurement dollar as well as a competitive price. Vendors have the opportunity to display and highlight value added attributes of their company, equipment/products and services without constraints of a typical individual proposal process.

D. THE INTENT OF THIS RFP

3.10. National contract awarded by the NJPA Board of Directors: NJPA seeks the most responsive and responsible Vendor relationship(s) to reflect the best interests of NJPA and its Member agencies. Through a competitive proposal and evaluation process, the NJPA Proposal Evaluation Committee reviews and recommends vendors for to award a national contract by the action of the NJPA Board of Directors. NJPA's primary intent is to establish and provide a national cooperative procurement contract which offer opportunities for NJPA and our Member agencies to procure quality product/equipment and services as desired and needed. The contracts will be marketed nationally through a cooperative effort between the awarded vendor(s) and NJPA. Contracts are expected to offer price levels reflective of the potential and collective volume of NJPA and the nationally established NJPA membership base.

3.11 Beyond our primary intent, NJPA further desires to:

3.11.1 Award a four year term contract with a fifth year contract option resulting from this RFP;

3.11.2 Offer and apply any applicable technological advances throughout the term of a contract resulting from this RFP

3.11.3 Deliver "Value Added" aspects of the company, equipment/products and services as defined in the "Proposer's Response";

3.11.4 Deliver wide spectrums of solutions to meet the needs and requirement of NJPA and NJPA Member agencies.

3.11.5 Award an exclusive contract to the most responsive and responsible vendor when it is deemed to be in the best interest of NJPA and the NJPA Member agencies

3.12 Exclusive or Multiple Awards: Based on the goals and scope of this RFP, NJPA is requesting responders to demonstrate their ability to serve the needs of NJPA's national membership. It is NJPA's intent and desire to award a contract to a single exclusive Vendor to serve our membership's needs. To meet the goals of this RFP, NJPA reserves the right to award a Contract to multiple Proposers where the result justifies a multiple award and multiple contracts are deemed to be in the best interests of NJPA Member agencies.

3.13 Non-Manufacturer Awards: NJPA reserves the right to make an award related to this invitation to a non-manufacturer or dealer/distributor if such action is in the best interests of NJPA and its Members.

3.14 Manufacturer as a Proposer: If the Proposer is a Manufacturer or wholesale distributor, the response received will be evaluated on the basis of a response made in conjunction with that Manufacturer's authorized Dealer Network. Unless stated otherwise, a Manufacturer or wholesale distributor Proposer is assumed to have a documented relationship with their Dealer Network where that Dealer Network is informed of, and authorized to accept, purchase orders pursuant to any Contract resulting from this RFP on behalf of the Manufacturer or wholesale distributor Proposer. Any such dealer will be considered a sub-contractor of the Proposer/Vendor. The relationship between the Manufacturer and wholesale distributor Proposer and its Dealer Network may be proposed at the time of the proposed submission if that fact is properly identified.

3.15 Dealer/Re-seller as a Proposer: If the Proposer is a dealer or re-seller of the products and/or services being proposed, the response will be evaluated based on the Proposer's authorization to provide those products and services from their manufacturer. Where appropriate, Proposers must document their authority to offer those products and/or services.

E. SCOPE OF THIS RFP

3.16 Scope: The scope of this RFP is to award a contract to a qualifying vendor defined as a manufacturer, provider, or dealer/distributor, established as a Proposer, and deemed responsive and responsible through our open and competitive proposal process. Vendors will be awarded contracts based on the proposal and responders demonstrated ability to meet the expectations of the RFP and demonstrate the overall highest valued solutions which meet and/or exceed the current and future needs and requirements of NJPA and its Member agencies nationally within the scope of MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES .

3.17 Additional Scope Definitions: For purposes of the scope of this solicitation:

3.17.1 In addition to MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES this solicitation should be read to include, but not limited to:

3.17.1.1 Front Loaders, Side Loaders, Rear Loaders, Multi-Compartment, Roll-Off, Heavy Truck Chassis.

3.17.2 NJPA reserves the right to limit the scope of this solicitation for NJPA and current and potential NJPA member agencies.

3.17.2.1 This solicitation shall NOT be construed to include: Knuckle Booms Loaders, Containers, Compactors, Leaf Vacuums, Vacuums, Sweepers.

3.18 **Overlap of Scope:** When considering equipment/products/services, or groups of equipment/products/services submitted as a part of your response, and whether inclusion of such will fall within a "Scope of Proposal," please consider the validity of an inverse statement.

3.18.1 For example, pencils and post-it-notes can generally be classified as office supplies and office supplies generally include pencils and post-it-notes.

3.18.2 In contrast, computers (PCs and peripherals) can generally be considered office supplies; however, the scope of office supplies does not generally include computer servers and infrastructure.

3.18.3 In conclusion: With this in mind, individual products and services must be examined individually by NJPA, from time to time and in its sole discretion, to determine their compliance and fall within the original "Scope" as intended by NJPA.

3.19 **Best and Most Responsive – Responsible Proposer:** It is the intent of NJPA to award a Contract to the best and most responsible and responsive Proposer(s) offering the best overall quality and selection of equipment/products and services meeting the commonly requested specifications of the NJPA and NJPA Members, provided the Proposer's Response has been submitted in accordance with the requirements of this RFP. Qualifying Proposers who are able to anticipate the current and future needs and requirements of NJPA and NJPA member agencies; demonstrate the knowledge of any and all applicable industry standards, laws and regulations; and possess the willingness and ability to distribute, market to and service NJPA Members in all 50 states are preferred. NJPA requests proposers submit their entire product line as it applies and relates to the scope of this RFP.

3.20 **Sealed Proposals:** NJPA will receive sealed proposal responses to this RFP in accordance with accepted standards set forth in the Minnesota Procurement Code and Uniform Municipal Contracting Law. Awards may be made to responsible and responsive Proposers whose proposals are determined in writing to be the most advantageous to NJPA and its current or qualifying future NJPA Member agencies.

3.21 **Use of Contract:** Any Contract resulting from this solicitation shall be awarded with the understanding that it is for the sole convenience of NJPA and its Members. NJPA and/or its members reserve the right to obtain like equipment/products and services solely from this contract or from another contract source of their choice or from a contract resulting from their own procurement process.

3.22 **Awarded Vendor's interest in a contract resulting from this RFP:** Awarded Vendors will be able to offer to NJPA, and current and potential NJPA Members, only those products/equipment and services specifically awarded on their NJPA Awarded Contract(s). Awarded Vendors may not offer as "contract compliant," products/equipment and services which are not specifically identified and priced in their NJPA Awarded Contract.

3.23 **Sole Source of Responsibility-** NJPA desires a "Sole Source of Responsibility" Vendor. This means the Vendor will take sole responsibility for the performance of delivered equipment/products/ services. NJPA also desires sole responsibility with regard to:

3.23.1 **Scope of Equipment/Products/Services:** NJPA desires a provider for the broadest possible scope of products/equipment and services being proposed over the largest possible geographic area and to the largest possible cross-section of NJPA current and potential Members.

3.23.2 **Vendor use of sub-contractors in sourcing or delivering equipment/product/services:** NJPA desires a single source of responsibility for equipment/products and services proposed. Proposers are assumed to have sub-contractor relationships with all organizations and individuals whom are external to

the Proposer and are involved in providing or delivering the equipment/products/services being proposed. Vendor assumes all responsibility for the equipment/products/services and actions of any such Sub-Contractor. Suggested Solutions Options include:

3.24.1 Multiple solutions to the needs of NJPA and NJPA Members are possible. Examples could include:

3.24.1.1 **Equipment/Products Only Solution:** Equipment/Products Only Solution may be appropriate for situations where NJPA or NJPA Members possess the ability, either in-house or through local third party contractors, to properly install and bring to operation those equipment/products being proposed.

3.24.1.2 **Turn-Key Solutions:** A Turn-Key Solution is a combination of equipment/products and services which provides a single price for equipment/products, delivery, and installation to a properly operating status. Generally this is the most desirable solution as NJPA and NJPA Members may not possess, or desire to engage, personnel with the necessary expertise to complete these tasks internally or through other independent contractors

3.24.1.3 **Good, Better, Best:** Where appropriate and properly identified, Proposers are invited to offer the CHOICE of good – better – best multiple grade solutions to NJPA and NJPA Members' needs.

3.24.1.4 **Proven – Accepted – Leading Edge Technology:** Where appropriate and properly identified, Proposers are invited to provide an appropriate identified spectrum of technology solutions to compliment or enhance the functionality of the proposed solutions to NJPA and NJPA Members' needs both now and into the future.

3.24.2 If applicable, Contracts will be awarded to Proposer(s) able to deliver a proposal meeting the entire needs of NJPA and its Members within the scope of this RFP. NJPA prefers Proposers submit their complete product line of products and services described in the scope of this RFP. NJPA reserves the right to reject individual, or groupings of specific equipment/products and services proposals as a part of the award.

3.25 **Geographic Area to be Proposed:** This RFP invites proposals to provide MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES to NJPA and NJPA Members throughout the entire United States and possibly internationally. Proposers will be expected to express willingness to explore service to NJPA Members located abroad; however the lack of ability to serve Members outside of the United States will not be cause for non-award. The ability and willingness to serve Canada, for instance, will be viewed as a value-added attribute.

3.26 **Contract Term:** At NJPA's option a contract resulting from this RFP will become effective either the date awarded by the NJPA Board of Directors or the day following the expiration date of an existing NJPA procurement contract for the same or similar product/equipment and services.

3.26.1 NJPA is seeking a Contract base term of four years as allowed by Minnesota Contracting Law. Full term is expected. However, one additional one-year renewal/extension may be offered by NJPA to Vendor beyond the original four year term if NJPA deems such action to be in the best interests of NJPA and its Members. NJPA reserves the right to conduct periodic business reviews throughout the term of the contract.

3.27 **Minimum Contract Value:** NJPA anticipates considerable activity resulting from this RFP and subsequent award; however, no commitment of any kind is made concerning actual quantities to be

acquired. NJPA does not guarantee usage. Usage will depend on the actual needs of the NJPA Members and the value of the awarded contract.

3.28 Estimated Contract Volume: Estimated quantities and sales volume are based on potential usage by NJPA and NJPA Member agencies nationally.

3.29 Contract Availability: This Contract must be available to all current and potential NJPA Members who choose to utilize this NJPA Contract to include all governmental and public agencies, public and private primary and secondary education agencies, and all non-profit organizations nationally.

3.30 Proposer's Commitment Period: In order to allow NJPA the opportunity to evaluate each proposal thoroughly, NJPA requires any response to this solicitation be valid and irrevocable for ninety (90) days after the date proposals were opened regarding this RFP.

F. EXPECTATIONS FOR EQUIPMENT/PRODUCTS AND SERVICES BEING PROPOSED

3.31 Industry Standards: Except as contained herein, the specifications or solutions for this RFP shall be those accepted guidelines set forth by the MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES industry, as they are generally understood and accepted within that industry across the nation. Submitted products/equipment, related services, and their warranties and assurances are required to meet and/or exceed all current, traditional and anticipated needs and requirements of NJPA and its Members.

3.31.1 Deviations from industry standards must be identified by the Proposer and explained how, in their opinion, the equipment/products and services they propose will render equivalent functionality, coverage, performance, and/or related services. Failure to detail all such deviations may comprise sufficient grounds for rejection of the entire proposal.

3.31.2 Technical Descriptions/Specifications. Excessive technical descriptions and specifications which, in the opinion of NJPA unduly enlarge the proposal response may reduce evaluation points awarded on Form G. Proposers must supply sufficient information to:

3.31.2.1 demonstrate the Proposer's knowledge of industry standards;

3.31.2.2 identify the equipment/products and services being proposed; and

3.31.2.3 differentiate equipment/products and services from others.

3.32 New Current Model Equipment/Products: Proposals submitted shall be for new, current model equipment/products and services with the exception of certain close-out products allowed to be offered on the Proposer's "Hot List" described herein.

3.33 Compliance with laws and standards: All items supplied on this Contract shall comply with any current applicable safety or regulatory standards or codes.

3.34 Delivered and operational: Products/equipment offered herein are to be proposed based upon being delivered and operational at the NJPA Member's site. Exceptions to "delivered and operational" must be explicitly disclosed in the "Total Cost of Acquisition" section of your proposal response.

3.35 Warranty: The Proposer warrants that all products, equipment, supplies, and services delivered under this Contract shall be covered by the industry standard or better warranty. All products and equipment should carry a minimum industry standard manufacturer's warranty that includes materials and labor. The Proposer has the primary responsibility to submit product specific warranty as required and accepted by industry standards. Dealer/Distributors agree to assist the purchaser in reaching a solution in a dispute over warranty's terms with the manufacturer. Any manufacturer's warranty which is effective past the expiration

of the warranty will be passed on to the NJPA member. Failure to submit a minimum warranty may result in non-award.

3.36 Additional Warrants: The Proposer warrants all products/equipment and related services furnished hereunder will be free from liens and encumbrances; defects in design, materials, and workmanship; and will conform in all respects to the terms of this RFP including any specifications or standards. In addition, Proposer/Vendor warrants the products/equipment and related services are suitable for and will perform in accordance with the ordinary use for which they are intended.

G. SOLUTIONS BASED SOLICITATION

3.37 NJPA solicitations and contract process will not offer specific specifications for proposers to meet or base your response on. This RFP is a "Solutions Based Solicitation." This means the proposers are asked to understand and anticipate the current and future needs of NJPA and the nationally located NJPA membership base, within the scope of this RFP, and including specifications commonly desired or required by law or industry standards. Your proposal will be evaluated in part on your demonstrated ability to meet or exceed the needs and requirements of NJPA and our member agencies within the defined scope of this RFP.

3.38 NJPA does not typically provide product and service specifications; rather NJPA is requesting an industry standard or accepted specification for the requested product/equipment and services. Where specific line items are specified, those line items should be considered the minimum which can be expanded by the Proposer to deliver the Proposer's "Solution" to NJPA and NJPA Members' needs.

4

INSTRUCTIONS FOR PREPARING YOUR PROPOSAL

A. INQUIRY PERIOD

4.1 The inquiry period shall begin at the date of first advertisement and continue to the "Deadline for Requests." RFP packages shall be distributed to Potential Bidders during the inquiry period. The purpose for the defined "Inquiry Period" is to ensure proposers have enough time to complete and deliver the proposal to our office.

B. PRE-PROPOSAL CONFERENCE

4.2 A non-mandatory pre-proposal conference will be held at the date and time specified in the time line on page one of this RFP. Conference call and web connection information will be sent to all Potential Proposers through the same means employed in their inquiry. The purpose of this conference call is to allow Potential Proposers to ask questions regarding this RFP and hear answers to their own questions and the questions of other Potential Proposers. Only answers issued in writing by NJPA to questions asked before or during the Pre-proposal Conference shall be considered binding.

C. IDENTIFICATION OF KEY PERSONNEL

4.3 Vendor will designate one senior staff individual who will represent the awarded Vendor to NJPA. This contact person will correspond with members for technical assistance, questions or problems that may arise including instructions regarding different contacts for different geographical areas as needed.

4.4 Individuals should also be identified (if applicable) as the primary contacts for the contents of this proposal, marketing, sales, and any other area deemed essential by the Proposer.

D. PROPOSER'S EXCEPTIONS TO TERMS AND CONDITIONS

4.5 Any exceptions, deviations, or contingencies a Proposer may have to the terms and conditions contained herein must be documented on Form C.

4.6 Exceptions, deviations or contingencies stipulated in Proposer's Response, while possibly necessary in the view of the Proposer, may result in disqualification of a Proposal Response.

E. PROPOSAL FORMAT

4.7 It is the responsibility of all Proposers to examine the entire RFP package, to seek clarification of any item or requirement that may not be clear and to check all responses for accuracy before submitting a Proposal. Negligence in preparing a Proposal confers no right of withdrawal after the deadline for submission of proposals.

4.8 All proposals must be properly labeled and sent to "The National Joint Powers Alliance®, 202 12th ST NE Staples, MN 56479."

4.9 **Format for proposal response:** All proposals must be physically delivered to NJPA at the above address in the following form and with all required hard copy documents and signature forms/pages inserted as loose pages at the front of the Vendor's response:

4.9.1 Hard copy original signed, completed, and dated forms C, D, F and hard copy signed signature page only from forms A and P from this RFP;

4.9.2 Hard copies of all addenda issued for the RFP with original counter signed by the Proposer;

4.9.3 Hard copy of Certificate of Insurance verifying the coverage identified in this RFP; and

4.9.4 A complete copy of your response on a CD (Compact Disc) or flash drive. The copy shall contain completed Forms A, B, C, D, F & P, your statement of products and pricing (including apparent discount) together with all appropriate attachments. Everything you send with your hard copy should also be included in the electronic copy. As a public agency, NJPA proposals, responses and awarded contracts are a matter of public record, except for that data included in the proposals, responses and awarded contracts that is classified as nonpublic; thus, pursuant to statute, NJPA policies and RFP terms and conditions, all documentation, except for that data which is nonpublic is available for review by the public through a public records request. If you wish to request that certain information that falls within Minnesota Statute §13.37 be redacted, such request must be made within thirty-days of award/non-award.

4.10 All Proposal forms must be submitted in English and be legible. All appropriate forms must be executed by an authorized signatory of the Proposer. Blue ink is preferred for signatures.

4.11 Proposal submissions should be submitted using the electronic forms provided. If a Proposer chooses to use alternative documents for their response, the Proposer will be responsible for ensuring the content is effectively equal to the NJPA form and the document is in a format readable by NJPA.

4.12 It is the responsibility of the Proposer to be certain the proposal submittal is in the physical possession of NJPA on or prior to the deadline for submission of proposals.

4.12.1 Proposals must be submitted in a sealed envelope or box properly addressed to NJPA and prominently identifying the proposal number, proposal category name, the message "Hold for Proposal Opening", and the deadline for proposal submission. NJPA cannot be responsible for late receipt of proposals. Proposals received by the correct deadline for proposal submission will be opened and the name of each Proposer and other appropriate information will be publicly read.

4.13 Corrections, erasures, and interlineations on a Proposer's Response must be initialed by the authorized signer in original ink on all copies to be considered.

4.14 Addendums to the RFP: The Proposer is responsible for ensuring receipt of all addendums to this RFP.

4.14.1 Proposer's are responsible for checking directly with the NJPA website for addendums to this RFP.

4.14.2 Addendums to this RFP can change terms and conditions of the RFP including the deadline for submission of proposals.

F. QUESTIONS AND ANSWERS ABOUT THIS RFP

4.15 Upon examination of this RFP document, Proposer shall promptly notify NJPA of any ambiguity, inconsistency, or error they may discover. Interpretations, corrections and changes to this RFP will be made by NJPA through addendum. Interpretations, corrections, or changes made in any other manner will not be binding and Proposer shall not rely upon such.

4.16 Submit all questions about this RFP, in writing, referencing MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES to Jonathan Yahn NJPA 202 12th Street NE, Staples, MN 56479 or RFP@njpacoop.org. Those not having access to the Internet may call Jonathan Yahn at (218) 895-4144. Requests for additional information or interpretation of instructions to Proposers or technical specifications shall also be addressed to Jonathan Yahn. NJPA urges Potential Proposers to communicate all concerns well in advance of the deadline to avoid misunderstandings. Questions received less than seven (7) days ending at 4:00 p.m. Central Time of the seventh (7th) calendar day prior to proposal due-date cannot be answered; however, communications permitted include: NJPA issued addenda or potential Vendor withdrawal of their response prior to RFP submission deadline.

4.17 If the answer to a question is deemed by NJPA to have a material impact on other potential proposers or the RFP itself, the answer to the question will become an addendum to this RFP.

4.18 If the answer to a question is deemed by NJPA to be a clarification of existing terms and conditions and does not have a material impact on other potential proposers or the RFP itself, no further documentation of that question is required.

4.19 As used in this solicitation, clarification means communication with a Potential Proposer for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the RFP.

4.20 Addenda are written instruments issued by NJPA that modify or interpret the RFP. All addenda issued by NJPA shall become a part of the RFP. Addenda will be delivered to all Potential Proposers using the same method of delivery of the original RFP material. NJPA accepts no liability in connection with the delivery of said materials. Copies of addenda will also be made available on the NJPA website at www.njpacoop.org by clicking on "Current and Pending Solicitations" and from the NJPA offices. No questions will be accepted by NJPA later than seven (7) days prior to the deadline for receipt of proposals, except Each Potential Proposer shall ascertain prior to submitting a Proposal that it has received all addenda issued, and the Proposer shall acknowledge their receipt in its Proposal Response.

4.21 An amendment to a submitted proposal must be in writing and delivered to NJPA no later than the time specified for opening of all proposals.

G. MODIFICATION OR WITHDRAWAL OF A SUBMITTED PROPOSAL

4.22 A submitted proposal may not be modified, withdrawn or cancelled by the Proposer for a period of ninety (90) days following the date proposals were opened. Prior to the deadline for submission of proposals, any proposal submitted may be modified or withdrawn by notice to the NJPA Contracts and

Compliance Manager. Such notice shall be submitted in writing and include the signature of the Proposer and shall be delivered to NJPA prior to the deadline for submission of proposals and it shall be so worded as not to reveal the content of the original proposal. However, the original proposal shall not be physically returned to the Potential Proposer until after the official proposal opening. Withdrawn proposals may be resubmitted up to the time designated for the receipt of the proposals if they are then fully in conformance with the Instructions to Proposer.

4.23 Examples of Value Added Attributes: Value-Added attributes, products and services are items offered in addition to the products and services being proposed which adds value to those items being proposed. The availability of a contract for maintenance or service after the initial sale, installation, and set-up may, for instance, be "Value Added Services" for products where a typical buyer may not have the ability to perform these functions. The opportunity to indicate value added dimensions and such advancements will be available in the Proposer's Questionnaire and Proposer's product and service submittal.

4.24 Value added equipment/products and services and expanded services, as they relate to this RFP, will be given positive consideration in the award selection. Consideration will be given to an expanded selection of MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES and advances to provide equipment/products/services or supplies meeting and/or exceeding today's industry standards and expectations. A value add would include a program or service that further serves the members needs above and possibly beyond standard expectation and complements the equipment/products/services and training. Value added could include areas of equipment, product and service, sales, ordering, delivery, performance, maintenance, technology, and service that furthers the functionality and effectiveness of the procurement process while remaining within the scope of this RFP.

4.25 Minority, Small Business, and Women Business Enterprise (WMBE) participation: It is the policy of some NJPA Members to involve Minority, Small Business, and WMBE contractors in the process to purchase equipment/products and related services. Vendors should document WMBE status for their organization AND any such status of their affiliates (i.e. Supplier networks) involved in carrying out the activities invited. The ability of a Proposer to provide "Credits" to NJPA and NJPA Members in these subject areas, either individually or through related entities involved in the transaction, will be evaluated positively by NJPA and reflected in the "value added" area of the evaluation. NJPA is committed to facilitating the realization of such "Credits" through certain structuring techniques for transactions resulting from this RFP.

4.26 Environmentally Preferred Purchasing Opportunities: There is a growing trend among NJPA Members to consider the environmental impact of the equipment/products and related services they purchase. "Green" characteristics demonstrated by responding companies will be evaluated positively by NJPA and reflected in the "value added" area of the evaluation. Please identify any Green characteristics of the equipment/products and related services in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which products have been certified as "green" and by which certifying agency.

4.27 On-Line Requisitioning systems: When applicable, on-line requisitioning systems will be viewed as a value-added characteristic. Proposer shall include documentation about user interfaces that make on-line ordering easy for NJPA Members as well as the ability to punch-out from mainstream e-Procurement or Enterprise Resource Planning (ERP) systems that NJPA Members may currently utilize.

4.28 Financing: The ability of the Proposer to provide financing options for the products and services being proposed will be viewed as a Value Added Attribute.

H. PROPOSAL OPENING PROCEDURE

4.29 Sealed and properly identified Proposer's Responses for this RFP entitled MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES will be

received by Jonathan Yahn, Contracts and Compliance Manager, at NJPA Offices, 202 12th Street NE, Staples, MN 56479 until the deadline for receipt of, and proposal opening identified on page one of this RFP. **We document the receipt by using an atomic clock; an NJPA employee electronically time and date stamps all Proposals immediately upon receipt.** The NJPA Director of Contracts and Marketing, or Representative from the NJPA Proposal Evaluation Committee, will then read the Proposer's names aloud. A summary of the responses to this RFP will be made available for public inspection in the NJPA office in Staples, MN. A letter or e-mail request is required to receive a complete RFP package. Send or communicate all requests to the attention of Maureen Knight 202 12th Street Northeast Staples, MN 56479 or RFP@njpacoop.org to receive a complete copy of this RFP. Method of delivery needs to be indicated in the request; an email address is required for electronic transmission. Oral, facsimile, telephone or telegraphic Proposal Submissions or requests for this RFP are invalid and will not receive consideration. All Proposal Responses must be submitted in a sealed package. The outside of the package shall plainly identify **MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT ACCESSORIES, AND SERVICES.** To avoid premature opening, it is the responsibility of the Proposer to label the Proposal Response properly.

I. NJPA'S RIGHTS RESERVED

4.30.1 Reject any and all Proposals received in response to this RFP;

4.30.2 Disqualify any Proposer whose conduct or Proposal fails to conform to the requirements of this RFP;

4.30.3 Have unlimited rights to duplicate all materials submitted for purposes of RFP evaluation, and duplicate all public information in response to data requests regarding the Proposal;

4.30.4 Consider a late modification of a Proposal if the Proposal itself was submitted on time and if the modifications were requested by NJPA and the modifications make the terms of the Proposal more favorable to NJPA, and accept such Proposal as modified;

4.30.5 At its sole discretion, reserve the right to waive any non-material deviations from the requirements and procedures of this RFP;

4.30.6 Extend the Contract, in increments determined by NJPA, not to exceed a total contract term of five years; and

4.30.7 Cancel the Request for Proposal at any time and for any reason with no cost or penalty to NJPA.

4.30.8 Correct or amend the RFP at any time with no cost or penalty to NJPA. If NJPA should correct or amend any segment of the RFP after submission of Proposals and prior to announcement of the Awarded Vendor, all Proposers will be afforded ample opportunity to revise their Proposal to accommodate the RFP amendment and the dates for submission of revised Proposals announced at that time. NJPA will not be liable for any errors in the RFP or other responses related to the RFP.

4.30.9 Extend proposal due dates.

PRICING

5.1 NJPA requests Potential Proposers respond to this RFP only if they are able to offer a wide array of equipment/products and services and at prices lower and better value than what they would ordinarily offer to single government agency, larger school district, or regional cooperative.

5.2 RFP is an Indefinite Quantity Equipment/Products and Related Service Price and Program Request with potential national sales distribution and service. If Proposer's solution requires additional supporting documentation, describe where it can be found in your submission. If Proposer offers the solution in an

alternative fashion, describe your solution to be easily understood. All pricing must be copied on a CD or thumb drive along with other requested information as a part of a Proposer's Response.

5.3 Regardless of the payment method selected by NJPA or NJPA Member, a total cost associated with any purchase option of the equipment/products and services and being supplied must always be disclosed at the time of purchase.

5.4 All Proposers will be required to submit "Primary Pricing" in the form of either "Line-Item Pricing," or "Percentage Discount from Catalog Pricing," or a combination of these pricing strategies. Proposers are also encouraged to offer OPTIONAL pricing strategies such as but not limited to "Hot List," "Sourced Product/Equipment" and "Volume Discounts," as well as financing options such as leasing. All pricing documents should include an effective date, preferably in the top right corner of the first page of each pricing document.

A. LINE-ITEM PRICING

5.5 A pricing format where specific individual products and/or services are offered at specific individual Contract prices. Products/equipment and/or related services are individually priced and described by characteristics such as manufacture name, stock or part number, size, or functionality. This method of pricing offers the least amount of confusion as products/equipment and prices are individually identified however, Proposers with a large number of products/equipment to propose may find this method cumbersome. In these situations, a percentage discount from catalog or category pricing model may make more sense and increase the clarity of the contract pricing format.

5.6 All Line-Item Pricing items must be numbered, organized, sectioned, including SKU's (when applicable) and easily understood by the Evaluation Committee and members.

5.7 Submit Line-Item Pricing items in an Excel spreadsheet format and include all appropriate identification information necessary to discern the line item from other line items in each Responder's proposal.

5.8 The purpose for a searchable excel spreadsheet format for Line-Item Pricing is to be able to quickly find any particular item of interest. For that reason, Proposers are responsible for providing the appropriate product and service identification information along with the pricing information which is typically found on an invoice or price quote for such products/equipment and related services.

5.9 All products/equipment and related services typically appearing on an invoice or price quote must be individually priced and identified on the line-item price sheet, including any and all ancillary costs.

5.10 Proposers are asked to provide both a published "List" price as well as a "Proposed Contract Price" in their pricing matrix. Published List price will be the standard "quantity of one" price currently available to government and educational customers excluding cooperative and volume discounts.

B. PERCENTAGE DISCOUNT FROM CATALOG OR CATEGORY

5.11 A specific percentage discount from a Catalog or List price" defined as a published Manufacturer's Suggested Retail Price (MSRP) for the products/equipment or related services being proposed.

5.12 Individualized percentage discounts can be applied to any number of defined product groupings.

5.13 A Percentage Discount from MSRP may be applied to all elements identified in MSRP including all Manufacturer Options applicable to the equipment/products or related services.

5.14 When a Proposer elects to use "Percentage Discount from Catalog or Category," Proposer will be responsible for providing and maintaining current published MSRP with NJPA and must be included in their proposal and provided throughout the term of any Contract resulting from this RFP.

C. COST PLUS A PERCENTAGE OF COST

5.15 Cost plus a percentage of cost as a primary pricing mechanism is not desirable.

D. HOT LIST PRICING

5.16 Where applicable, a Vendor may opt to offer a specific selection of products/services, defined as Hot List pricing at greater discounts or related advantages than those listed in the standard Contract pricing. All product/service pricing, including the Hot List Pricing, must be submitted electronically provided in Excel format. Hot List pricing must be submitted in a Line-Item format. Equipment/products and related services may be added or removed from the "Hot List" at any time through an NJPA Price and Product Change Form.

5.17 Hot List program and pricing when applicable may also be used to discount and liquidate close-out and discontinued equipment/products and related services as long as those close-out and discontinued items are clearly labeled as such. Current ordering process and administrative fees apply. This option must be published and made available to all NJPA Members.

E. CEILING PRICE

5.18 Proposal pricing is to be established as a ceiling price. At no time may the proposed equipment/products and related services be offered pursuant to this Contract at prices above this ceiling price without request and approval by NJPA. Contract prices may be reduced to allow for volume considerations and commitments and to meet the specific and unique needs of an NJPA Member.

5.19 Allowable specific needs may include competitive situations, certain purchase volume commitments or the creation of custom programs based on the individual needs of NJPA Members.

F. VOLUME PRICE DISCOUNTS / ADDITIONAL QUANTITIES

5.20 Proposers are free to offer volume commitment discounts from the contract pricing documented in a Contract resulting from this RFP. Volume considerations shall be determined between the Vendor and individual NJPA Members on a case-by-case basis.

5.21 Nothing in this Contract establishes a favored member relationship between the NJPA or any NJPA Member and the Vendor. The Vendor will, upon request by NJPA Member, extend this same reduced price offered or delivered to another NJPA Member provided the same or similar volume commitment, specific needs, terms, and conditions, a similar time frame, seasonal considerations, locations, competitively situations and provided the same manufacturer support is available to the Vendor.

5.22 All price adjustments are to be offered equally to all NJPA Members exhibiting the same or substantially similar characteristics such as purchase volume commitments, and timing including the availability of special pricing from the Vendor's suppliers.

5.23 The contract awarded vendor will accept orders for additional quantities at the same prices, terms and conditions, providing the NJPA Member exercises the option before a specific date, mutually agreed upon between member and contract awarded vendor at time of original purchase order. Any extension(s) of pricing beyond the specific date shall be upon mutual consent between the NJPA Member and the contract awarded vendor.

G. TOTAL COST OF ACQUISITION

5.24 The Total Cost of Acquisition for the equipment/products and related services being proposed, including those payable by NJPA Members to either the Proposer or a third party is the cost of the proposed

equipment/products product/equipment and related services delivered and operational for its intended purpose in the end-user's location. For example, if you are proposing equipment/products FOB Proposer's dock, your proposal should identify your deviation from the "Total Cost of Acquisition" of contracted equipment/products. The Proposal should reflect that the "contract does not provide for delivery beyond Proposer's dock, nor any set-up activities or costs associated with those delivery or set-up activities." In contrast, proposed terms including all costs for product/equipment and services delivered and operational at to the end-user's location would require a disclosure of "None."

H. SOURCED PRODUCT/EQUIPMENT/OPEN MARKET ITEMS

5.25 A Sourced Good or an Open Market Item is a product that a member wants to buy under contract that is not currently available under the Vendor's NJPA contract. This method of procurement can be satisfied through a contract sourcing process. Sourcing options serve to provide a more complete contract solution to meet our members' needs. Sourced items are generally deemed incidental to the total transaction or purchase of contract items.

5.26 NJPA or NJPA Members may request product/equipment and/or related services that are within the related scope of this RFP, which are not included in an awarded Vendor's line-item product/equipment and related service list or catalog. These items are known as Sourced Product/Equipment or Open Market Items.

5.27 An awarded Vendor resulting from this RFP may "Source" equipment/products and related services for NJPA or an NJPA Member to the extent they:

5.27.1 Identify all such equipment, products and services as "Sourced Products/Equipment " or "Open Market Items" on any quotation issued in reference to an NJPA awarded contract, and provided to either NJPA or an NJPA Member; and

5.27.2 Follow all applicable acquisition regulations pertaining to the purchase of such equipment, products and services, as defined by NJPA or NJPA Member receiving quotation from Vendor; and

5.27.3 Ensure NJPA or the NJPA Member has determined the prices as quoted by the Vendor for such equipment, products and services are deemed to be fair and reasonable and are acceptable to the member/buyer; and

5.27.4 Identify all product/equipment sourced as a part of an NJPA contract purchase with all required NJPA reporting and fees applying.

5.28 Cost plus a percentage is an option in pricing of sourced goods.

I. PRODUCT & PRICE CHANGES

5.29 Requests for equipment/products or service changes, additions or deletions will be allowed at any time throughout the awarded contract term. All requests must be made in written format by completing the NJPA Price and Product Change Request Form (located at the end of this RFP and on the NJPA website) and signature of an authorized Vendor employee. All changes are subject to review and approval by the NJPA Contracts & Compliance Manager, signed in acceptance by the NJPA Executive Director and acknowledged by the NJPA Contract Council. Submit request via email to your Contract Manager and PandP@njpacoop.org.

5.30 NJPA's due diligence in analyzing any request for change is to determine if approval of the request is: 1) within the scope of the original RFP and 2) in the "Best Interests of NJPA and NJPA Members." A signed Price and Product Change form will be returned to vendor contact via email.

5.31 Vendor must complete this change request form and individually list or attach all items or services subject to change, provide sufficiently detailed explanation and documentation for the change, and include

a complete restatement of pricing document in appropriate format (preferably Excel). The pricing document must identify all equipment/products and services being offered and must conform to the following NJPA product/price change naming convention: (Vendor Name) (NJPA Contract #) (effective pricing date); for example, "COMPANY 012411-CPY eff 02-12-2013."

5.32 New pricing restatement must include all equipment/products and services offered regardless of whether their prices have changed and include a new "effective date" on the pricing documents. This requirement reduces confusion by providing a single, current pricing sheet for each vendor and creates a historical record of pricing.

5.33 ADDITIONS. New equipment/products and related services may be added to a contract if such additions are within the scope of the RFP. New equipment/products and related services may be added to a Contract resulting from this RFP at any time during that Contract to the extent those equipment/products and related services are within the scope of this RFP. Those requests are subject to review and approval of NJPA. Allowable new equipment/products and related services generally include new updated models of equipment/products and related services and or enhanced services previously offered which could reflect new technology and improved functionality.

5.34 DELETIONS. New equipment/products and related services may be deleted from a contract if an item or service is no longer available and thus not relevant to the contract; for example, discontinued, improved, etc.

5.35 PRICE CHANGES: Request prices changes in general terms along with the justification by product category for the change; for example, a 3% increase in XYZ Product Line is due to a 3% increase in petroleum, or this list of SKUs/ product descriptions is increasing X% due to X% increase in cost of raw materials.

5.35.1 *Price decreases:* NJPA expects Vendors to propose their very best prices and anticipates price reductions are due to advancement of technologies and market place efficiencies.

5.35.2 *Price increases:* Typical acceptable increase requests include increases to Vendor input costs such as petroleum or other applicable commodities, increases in product utility of new compared to old equipment/product or service, etc. Vendor must include reasonable documentation for the claims cited in their request along with detailed justification for why the increase is needed. Special details for price changes must be included with the request along with both current and proposed pricing. Appropriate documentation should be attached to this form, including letters from suppliers announcing price increases. Price increases will not exceed industry standard.

5.36 Submit the following documentation to request a pricing change:

5.36.1 Signed NJPA Price and Product Change Form

5.36.2 Single Statement of Pricing Excel spreadsheet identifying all equipment/products and services being offered and their pricing. Each complete pricing list will be identified by its "Effective Date." Each successive price listing identified by its "Effective Date" will create a "Product and Price History" for the Contract. Each subsequent pricing update will be saved using the naming convention of "(Vendor Name) pricing effective XX/XX/XXXX."

5.36.2.1 Include all equipment/products and services regardless of whether their prices have changed. By observing this convention we will:

5.36.2.1.1 Reduce confusion by providing a single, easy to find, current pricing sheet for each Vendor.

5.36.2.1.2 Create a historical record of pricing.

5.37 NJPA reserves the right to review additional catalogs being proposed as additions or replacements to determine if the represented products and services reflect and relate to the scope of this RFP. Each new catalog received may have the effect of adding new product offerings and deleting products no longer carried by the Vendor. New catalogs shall apply to the Contract only upon approval of the NJPA. Non-approved use of catalogs may result in termination for convenience. New price lists or catalogs found to be offering non-contract items during the Contract may be grounds for terminating the Contract for convenience.

5.38 Proposers representing multiple manufacturers, or carrying multiple related product lines may also request the addition of new manufacturers or product lines to their Contract to the extent they remain within the scope of this RFP.

5.39 Proposers may use the multiple tabs available in an Excel workbook to separately list logical product groupings or to separately list product and service pricing as they see fit.

5.40 All equipment/products and services together with their pricing, whether changed within the request or remaining unchanged, will be stated on each "Pricing" sheet created as a result of each request for product, service, or pricing change.

5.41 Each subsequent "Single Statement of Product and Pricing" will be archived by its effective date therefore creating a product and price history for any Contract resulting from this RFP. Proposers are required to create a historical record of pricing annually by submitting updated pricing referred to as a "Single Statement of Product/Equipment and Related Services Contract Price Update". This pricing update is required at a minimum of once per contract year.

J. PAYMENT TERMS

5.42 Payment terms will be defined by the Proposer in the Proposer's Response. Proposers are encouraged to offer payment terms through P Card services if applicable.

5.43 If applicable, identify any leasing programs available to NJPA and NJPA Members as part of your proposal. Proposers should submit an example of the lease agreement to be used and should identify:

5.43.1 General leasing terms such as:

5.43.1.1 The percentage adjustment over/under an index rate used in calculating the internal rate of return for the lease; and

5.43.1.2 The index rate being adjusted; and

5.43.1.3 The "Purchase Option" at lease maturity (\$1, or fair market value); and

5.43.1.4 The available term in months of lease(s) available.

5.43.2 Leasing company information such as:

5.43.2.1 The name and address of the leasing company; and

5.43.2.2 Any ownership, common ownership, or control between the Proposer and the Leasing Company.

K. SALES TAX

5.44 Sales and other taxes shall not be included in the prices quoted. Vendor will charge state and local sales and other taxes on items for which a valid tax exemption certification has not been provided. Each NJPA Member is responsible for providing verification of tax exempt status to the Vendor. When ordering, NJPA Members must indicate that they are tax exempt entities. Except as set forth herein, no party shall be responsible for taxes imposed on another party as a result of or arising from the transactions contemplated by a Contract resulting from this RFP.

L. SHIPPING

5.45 NJPA desires an attractive freight program. A shipping program for material only proposals, or sections of proposals, must be defined as a part of the cost of equipment/products. If shipping is charged to NJPA or NJPA Member, only the actual cost of delivery may be added to an invoice. Shipping charges calculated as a percentage of the product price may not be used, unless such charges are lower than actual delivery charges. COD orders will be accepted if both parties agree. It is desired that delivery be made within ninety-days (90) of receipt of the Purchase Order.

5.46 Selection of a carrier for shipment or expedited shipping will be the option of the party paying for said shipping. Use of another carrier will be at the expense of the party who requested.

5.47 Proposers must define their shipping programs for Alaska and Hawaii and any location not served by conventional shipping services. Over-size and over-weight items and shipments may be subject to custom freight programs.

5.48 All shipping and re-stocking fees must be identified in the price program. Certain industries providing made to order product/equipment may not allow returns. Proposers will be evaluated based on the relative flexibility extended to NJPA and NJPA Members relating to those subjects.

5.49 Proposer agrees shipping errors will be at the expense of the Vendor.

5.50 Delivery effectiveness is very important aspect of this Contract. If completed deliveries are not made at the time agreed, NJPA or NJPA Member reserves the right to cancel and purchase elsewhere and hold Vendor accountable. If delivery dates cannot be met, Vendor agrees to advise NJPA or NJPA Member of the earliest possible shipping date for acceptance by NJPA or NJPA Member.

5.51 Delivered products/equipment must be properly packaged. Damaged equipment/products will not be accepted, or if the damage is not readily apparent at the time of delivery, the equipment/products shall be returned at no cost to NJPA or NJPA Member. NJPA and NJPA Members reserve the right to inspect the equipment/products at a reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the equipment/products at the time of delivery.

5.52 Vendor shall deliver Contract conforming products/equipment in each shipment and may not substitute products/equipment without approval from NJPA or the NJPA Member.

5.53 NJPA reserves the right to declare a breach of Contract if the Vendor intentionally delivers substandard or inferior equipment/products which are not under Contract and described in its paper or electronic price lists or sourced upon request to any member under this Contract. In the event of the delivery of non-conforming equipment/products, NJPA Member will notify the Vendor as soon as possible and the Vendor will replace non-conforming equipment/products with conforming equipment/products acceptable to the NJPA member.

5.54 Throughout the term of the Contract, Proposer agrees to pay for return shipment on equipment/products that arrives in a defective or inoperable condition. Proposer must arrange for the return shipment of damaged equipment/products.

5.55 Vendor may not substitute equipment/products unless agreed to by both parties.

5.56 Unless contrary to other parts of this solicitation, if the product/equipment or the tender of delivery fail in any respect to conform to this Contract, the purchasing member may: 1) reject the whole, 2) accept the whole or 3) accept any commercial unit or units and reject the rest.

6 EVALUATION OF PROPOSALS

A. PROPOSAL EVALUATION PROCESS

6.1 The NJPA Proposal Evaluation Committee will evaluate proposals received based on a 1,000 point evaluation system. The Committee establishes both the evaluation criteria and designates the relative importance of those criteria by assigning possible scores for each category on Form G of this RFP.

6.2 NJPA shall use a final overall scoring system to include consideration for best price and cost evaluation. NJPA reserves the right to assign any number of point awards or penalties it considers warranted if a Proposer stipulates exceptions, exclusions, or limitations of liabilities. Strong consideration will be given to the best price as it relates to the quality of the product and service. However, price is ultimately only one of the factors taken into consideration in the evaluation and award.

6.3 Responses will be evaluated first for responsiveness and thereafter for content. The NJPA Board of Directors will make awards to the selected Proposer(s) based on the recommendations of the Proposal Evaluation Committee. To qualify for the final evaluation, a Proposer must have been deemed responsive as a result of the criteria set forth under "Proposer Responsiveness."

B. PROPOSER RESPONSIVENESS

6.4 All responses are evaluated for level one and level two responsiveness. If a response does not reasonably and substantially conform to all the terms and conditions in the solicitation or it requests unreasonable exceptions, it may be considered non-responsive.

6.5 All proposals must contain answers or responses to the information requested in the proposal forms. The following items constitute the test for "Level One Responsiveness" and are determined on the proposal opening date. If these are not received, your response may be disqualified as non-responsive.

6.6 Level One Responsiveness includes:

- 6.6.1** received prior to the deadline for submission or it will be returned unopened;
- 6.6.2** properly addressed and identified as a sealed proposal with a specific opening date and time;
- 6.6.3** pricing document (with apparent discounts), sample certificate of liability insurance and all forms fully completed even if "not applicable" is the answer;
- 6.6.4** original signed, completed and dated RFP forms C, D, and F hard copy signed signature page Only from forms A and P from this RFP and if applicable, all counter signed addenda issued in relation to this RFP;
- 6.6.5** an electronic copy (CD or flash drive) of the entire response; and
- 6.6.6** falls within the scope as determined by the NJPAs Proposal Evaluation Committee.

6.7 "Level Two" responsiveness is determined through the evaluation of the remaining items listed under Proposal Evaluation Criteria below. These items are not arranged in order of importance and each item

may encompass multiple areas of information requested. Any questions not answered will result in a loss of points from relevant Form G criteria and may lead to non-award if too many areas are unanswered resulting in the inability for evaluation team to effectively review your response.

C. PROPOSAL EVALUATION CRITERIA

6.8 Evaluation Criteria: Forms A and P includes a series of questions encompassing, but not limited to, the following categories:

- 6.8.1** Company Information & Financial Strength
- 6.8.2** Industry Requirements & Marketplace Success
- 6.8.3** Ability to Sell & Deliver Service Nationwide
- 6.8.4** Marketing Plan
- 6.8.5** Other Cooperative Procurement Contracts
- 6.8.6** Value Added Attributes
- 6.8.7** Payment Terms & Financing Options
- 6.8.8** Warranty
- 6.8.9** Equipment/Products/Services
- 6.8.10** Pricing & Delivery
- 6.8.11** Industry Specific Items

6.9 Evaluation of each Proposer's Response will take into consideration as a minimum response but not necessarily limited to these items.

D. OTHER CONSIDERATION

6.10 The Proposer is required to have extensive knowledge and at least three (3) years of experience with the related activities surrounding the selling of the equipment/products and/or related services.

6.11 NJPA reserves the right to accept or reject newly formed companies solely based on information provided in the proposal and/or its own investigation of the company.

6.12 If a manufacturer or supplier chooses not to produce or supply a full selection and representation of product/equipment and related services it has available which fall within the scope of this RFP, such action will be considered sufficient cause to reduce evaluation points.

6.13 NJPA reserves the right to request and test equipment/products and related services from the apparent successful Proposer. Prior to the award of the Contract, the apparent successful Proposer, if requested by NJPA, shall furnish current information and data regarding the Proposer's resources, personnel, and organization within three (3) days.

6.14 Past performance information is relevant information regarding a Proposer's actions under previously awarded contracts to schools, local, state, and governmental agencies and non-profit agencies. It includes the Proposer's record of conforming to specifications and standards of good workmanship. The Proposer's history for reasonable and cooperative behavior and commitment to member satisfaction shall be under evaluation. Ultimately, Past Performance Information can be defined as the Proposer's businesslike concern for the interests of the NJPA Member.

6.15 NJPA shall reserve the right to reject any or all proposals.

E. COST COMPARISON

6.16 NJPA uses a variety of evaluation methodologies, including but not limited to a cost comparison of specific and deemed to be like equipment/products. NJPA reserves the right to use this process in the event the Proposal Evaluation Committee feels it is necessary to make a final determination.

6.17 This process will be based on a point system with points being awarded for being low to high Proposer for each cost evaluation item selected. A "Market Basket" of identical (or substantially similar) equipment/products and related services may be selected by the NJPA Evaluation Committee and the unit cost will be used as a basis for determining the point value. The "Market Basket" will be selected by NJPA from all product categories as determined appropriate by NJPA.

F. MARKETING PLAN

6.18 A key element of an NJPA awarded a contract will be based on your marketing response to this solicitation. An awarded Vendor's sales force will be the primary source of communication to the customers and NJPA members directly relating to the contract success. Success in marketing is dependent on delivery of messaging and communication relating to the contract value, knowledge of contract, proper use and the delivery of contracted equipment/products and related services to the end user. Much of the success and sales reward is a direct result of the commitment to the Contract by the vendor and sales teams. NJPA reserves the right to deem a proposer non-responsive or to not award based on an unacceptable or incomplete marketing plan

6.19 NJPA marketing expectations include:

6.19.1 Vendors ability to demonstrate the leveraging of a national sales force and/or dealer network. Vendors must demonstrate the ability to sell, service and deliver products and equipment through acceptable distribution channels to customers and NJPA members in all 50 states. Demonstrate fully the sales and service capabilities of your company through your response; outline Vendor's national sales force network in terms of numbers and geographic location and method of distribution of the equipment/products and related services. Service may be independent of the equipment/product sales pricing but is encouraged to be a part of your response and contract.

6.19.2 Vendor is invited to demonstrate the ability to successfully market, promote and communicate the opportunity of an NJPA contract to current and potential members nationwide. NJPA desires a marketing plan that communicates the value of the contract to members.

6.19.3 Vendor is expected to be receptive to NJPA sales trainings. Vendor shall provide a venue for appropriate personnel from both management and the sales force who will be trained. NJPA commits to providing contract sales training and awareness regarding all aspects of communicating the value of the contract itself including: the authority of NJPA to offer the contract to its Members, value and utility the contract delivers to NJPA Members, scope of NJPA Membership, authority of NJPA Members to utilize NJPA procurement contracts, marketing and sales methods, and overall vertical strategies.

6.19.4 Vendor is expected to demonstrate the intent to a commit to full embracement of the NJPA contract. Identify the appropriate levels of sales management and sales force that will need to understand the value of and the internal procedures necessary, to deliver the NJPA contract solution and message to NJPA and NJPA Members. NJPA shall provide a general schedule and a variety of methods surrounding when and how those individuals will be trained.

6.19.5 Vendor will outline their proposed involvement in the promotion of a contract resulting from this RFP through applicable industry trade show exhibits and related customer meetings. Proposers are encouraged to consider participation with NJPA at NJPA embraced national trade shows.

6.19.6 Vendor must exhibit the willingness and ability to actively market and develop contract specific marketing materials including, but not limited to:

6.19.6.1 Complete Marketing Plan. Proposer shall submit a marketing plan outlining how the Vendor will launch the NJPA contract to current and potential NJPA Members. NJPA requires the Awarded Vendors to embrace and actively promote the Contract in cooperation with the NJPA.

6.19.6.2 Printed Marketing Materials. Proposer will initially produce and thereafter maintain full color print advertisements in camera ready electronic format including company logo and contact information to be used in the NJPA directory and other approved marketing publications.

6.19.6.3 Contract announcements and advertisements. Proposer will outline in the marketing plan their anticipated contract announcements, advertisements in industry periodicals and other direct or indirect marketing activities promoting the awarded NJPA contract.

6.19.6.4 Proposer's Website. Proposer will identify how an Awarded Contract will be displayed and linked on the Proposer's website. An on-line shopping experience for NJPA Members is desired when applicable.

6.19.7 An NJPA Vendor Contract Launch will be scheduled during a reasonable time frame after the award and held at the NJPA office in Staples, MN.

6.20 Proposer shall identify their commitment to develop a sales/communication process to facilitate NJPA membership and establish status of current and potential agencies/members. Proposer should further express their commitment to capturing sufficient member information as is deemed necessary by NJPA.

G. CERTIFICATE OF INSURANCE

6.21 Vendors shall provide evidence of liability insurance coverage identified below in the form of a Certificate of Insurance or an ACCORD binder form with their proposal. Upon Award issued pursuant to this contract and prior to the execution of any commerce relating to such award, Vendor will be responsible for providing verification, in the form of a Certificate of Insurance identifying the coverage required below and identifying NJPA as a "Certificate Holder." Vendor will be responsible to maintain such insurance coverage at their own expense throughout the term of any contract resulting from this solicitation.

6.22 Any exceptions and/or assumptions to the insurance requirements *must* be identified on *Attachment C*. Exceptions and/or assumptions will be taken into consideration as part of the evaluation process; however, vendors must be specific. If vendors do not specify any exceptions and/or assumptions at time of proposal submission, NJPA will not consider any additional exceptions and/or assumptions during negotiations. Upon contract award, the successful vendor *must* provide the Certificate of Insurance identifying the coverage as specified.

6.23 Insurance Liability Limits: The awarded vendor must maintain, for the duration of its contract, \$1.5 million in General Liability insurance coverage or General Liability insurance in conjunction with an Umbrella for a total combined coverage of \$1.5 million. Work on the contract shall not begin until after the awarded vendor has submitted acceptable evidence of the required insurance coverage. Failure to maintain any required insurance coverage or acceptable alternative method of insurance will be deemed a breach of contract.

6.23.1 Minimum Scope and Limits of Insurance: Vendor shall provide coverage with limits of liability not less than those stated below. An excess liability policy or umbrella liability policy

may be used to meet the minimum liability requirements provided that the coverage is written on a "following form" basis.

6.23.1.1 Commercial General Liability – Occurrence Form

Policy shall include bodily injury, property damage and broad form contractual liability and XCU coverage.

6.23.1.2 Each Occurrence

\$1,500,000

6.24 Insurance Requirements: The limits listed herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. NJPA in no way warrants that the minimum limits contained herein are sufficient to protect the Vendor from liabilities that might arise out of the performance of the work under this Contract by the Vendor, his agents, representatives, employees or subcontractors and Vendor is free to purchase additional insurance as may be determined necessary.

6.25 Acceptability of Insurers: Insurance is to be placed with insurers duly licensed or authorized to do business in the State of Minnesota and with an "A.M. Best" rating of not less than A- VII. NJPA in no way warrants that the above required minimum insurer rating is sufficient to protect the Vendor from potential insurer solvency.

6.26 Subcontractors: Vendors' certificate(s) shall include all subcontractors as additional insureds under its policies or Vendor shall furnish to NJPA separate certificates for each subcontractor. All coverage for subcontractors shall be subject to the minimum requirements identified above.

H. ORDER PROCESS AND/OR FUNDS FLOW

6.27 Please propose an order process and funds flow. The Business-to-Government order process and/or funds flow model involves NJPA Members issuing Purchase Orders directly to a Vendor and pursuant to a Contract resulting from this RFP. Administrative fees may also be used for purposes as allowed by Minnesota State Law and approved by the Board of Directors.

6.28 Additional Terms and Conditions can be added at the PO level if both Vendor and Member agree.

I. ADMINISTRATIVE FEES

6.29 Proposer agrees to authorize and/or allow for an administrative fee payable to NJPA by an Awarded Vendor in exchange for its facilitation and marketing of a Contract resulting from this RFP to current and potential NJPA Members. This Administration Fee shall be:

6.29.1 Calculated as a percentage of the dollar volume of all equipment/products and services provided to and purchased by NJPA Members or calculated as reasonable and acceptable method applicable to the contracted transaction; and

6.29.2 Included in, and not added to, the pricing included in Proposer's Response to the RFP; and

6.29.3 Designed to offset the anticipated costs of NJPA's involvement in contract management, facilitating marketing efforts, Vendor training, and any order processing tasks relating to the Contract resulting from this RFP. Administrative fees may also be used for other purposes as allowed by Minnesota law. Administrative fees may also be used for other purposes as allowed by Minnesota law.

6.29.4 Typical administrative fees for a B-TO-G order process and funds flow is 1.5%. NJPA does not mandate a specific fee percentage, we merely state that 1.5% is a typical fee across our contracts. The administrative fee percent varies among vendors, industries and responses.

6.29.5 NJPA awarded contract holder is responsible for the Administrative Fee and related reporting.

6.30 The opportunity to propose these factors and an appropriate administrative fee is available in the Proposer's Questionnaire Form P.

J. VALUE ADDED

6.31 **Examples of Value Added Attributes:** Value-Added attributes, products and services are items offered in addition to the products and services being proposed which adds value to those items being proposed. The availability of a contract for maintenance or service after the initial sale, installation, and set-up may, for instance, be "Value Added Services" for products where a typical buyer may not have the ability to perform these functions.

6.32 **Where to document Value Added Attributes:** The opportunity to indicate value added dimensions and such advancements will be available in the Proposer's Questionnaire and Proposer's product and service submittal.

6.33 Value added equipment/products and services and expanded services, as they relate to this RFP, will be given positive consideration in the award selection. Consideration will be given to an expanded selection of MOBILE REFUSE COLLECTION VEHICLES WITH RELATED EQUIPMENT, ACCESSORIES, AND SERVICES and advances to provide products/services, supplies meeting and/or exceeding today's industry standards and expectations. A value add would include a program or service that further serves the members needs above and possibly beyond standard expectation and complements the equipment/products and services and training. Value added could include areas of product and service, sales, ordering, delivery, performance, maintenance, technology, and service that furthers the functionality and effectiveness of the procurement process while remaining within the scope of this RFP.

6.34 **Minority, Small Business, and Women Business Enterprise (WMBE) participation:** It is the policy of some NJPA Members to involve Minority, Small Business, and WMBE contractors in the process to purchase product/equipment and related services. Vendors should document WMBE status for their organization AND any such status of their affiliates (i.e. Supplier networks) involved in carrying out the activities invited. The ability of a Proposer to provide "Credits" to NJPA and NJPA Members in these subject areas, either individually or through related entities involved in the transaction, will be evaluated positively by NJPA and reflected in the "value added" area of the evaluation. NJPA is committed to facilitating the realization of such "Credits" through certain structuring techniques for transactions resulting from this RFP.

6.35 **Environmentally Preferred Purchasing Opportunities:** There is a growing trend among NJPA Members to consider the environmental impact of the equipment/products and related services they purchase. "Green" characteristics demonstrated by responding companies will be evaluated positively by NJPA and reflected in the "value added" area of the evaluation. Please identify any Green characteristics of the product/equipment and related services in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which products have been certified as "green" and by which certifying agency.

6.36 **On-Line Requisitioning systems:** When applicable, on-line requisitioning systems will be viewed as a value-added characteristic. Proposer shall include documentation about user interfaces that make on-line ordering easy for NJPA Members as well as the ability to punch-out from mainstream e-Procurement or Enterprise Resource Planning (ERP) systems that NJPA Members may currently utilize.

6.37 **Financing:** The ability of the Proposer to provide financing options for the products and services being proposed will be viewed as a Value Added Attribute.

6.38 Technology: Technological advances, increased efficiencies, expanded service and other related improvements beyond today's NJPA member's needs and applicable standards.

K. WAIVER OF FORMALITIES

6.39 NJPA reserves the right to waive any minor formalities or irregularities in any proposal and to accept proposals, which, in its discretion and according to the law, may be in the best interest of its members.

7 POST AWARD OPERATING ISSUES

A. SUBSEQUENT AGREEMENTS

7.1 Purchase Order. Purchase Orders for equipment/products and/or related services may be executed between NJPA or NJPA Members (Purchaser) and awarded Vendor(s) or Vendor's sub-contractors pursuant to this invitation and any resulting Contract. NJPA Members are instructed to identify on the face of such Purchase Orders that "This purchase order is issued pursuant to NJPA procurement contract #XXXXXX." A Purchase Order is an offer to purchase product/equipment and related services at specified prices by NJPA or NJPA Members pursuant to a Contract resulting from this RFP. Purchase Order flow and procedure will be developed jointly between NJPA and an Awarded Vendor after an award is made.

7.2 Governing Law. Purchase Orders shall be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the purchaser. Each and every provision of law and clause required by law to be included in the Purchase Order shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction. The venue for any litigation arising out of disputes related to Purchase Order(s) shall be a court of competent jurisdiction to the Purchaser.

7.3 Additional Terms and Conditions. Additional terms and conditions to a Purchase Order may be proposed by NJPA, NJPA Members, or Vendors. Acceptance of these additional terms and conditions is OPTIONAL to all parties to the Purchase Order. The purpose of these additional terms and conditions is to formally introduce job or industry specific requirements of law such as prevailing wage legislation. Additional terms and conditions can include specific local policy requirements and standard business practices of the issuing Member. Said additional terms and conditions shall not interfere with the general purpose, intent or currently established terms and conditions contain in this RFP document.

7.4 Specialized Service Requirements. In the event service requirements or specialized performance requirements such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements not addressed in the Contract resulting from this RFP, NJPA Member and Vendor may enter into a separate, standalone agreement, apart from a Contract resulting from this RFP. Any proposed service requirements or specialized performance requirements require pre-approval by Vendor. Any separate agreement developed to address these specialized service or performance requirements is exclusively between the NJPA Member and Vendor. NJPA, its agents, Members and employees shall not be made party to any claim for breach of such agreement. Product sourcing is not considered a service. NJPA Members will need to conduct procurements for any specialized services not identified as a part or within the scope of the awarded Contract.

7.5 Performance Bond. At the request of the member, a Vendor will provide all performance bonds typically and customarily required in their industry. These bonds will be issued pursuant to the requirements of Purchase Orders for product/equipment and related services. If a purchase order is cancelled for lack of a required performance bond by the member agency, it shall be the recommendation of NJPA that the current pending Purchase Order be canceled. Each member has the final decision on Purchase Order continuation. ANY PERFORMANCE BONDING REQUIRED BY THE MEMBER OR CUSTOMER STATE LAWS OR LOCAL POLICY IS TO BE MUTUALLY AGREED UPON AND SECURED BETWEEN THE VENDOR AND THE CUSTOMER/MEMBER.

B. NJPA MEMBER SIGN-UP PROCEDURE

7.6 Awarded Vendors will be responsible for familiarizing their sales and service forces with the various forms of NJPA Membership documentation and shall encourage and assist potential Members in establishing Membership with NJPA. NJPA membership is at no cost, obligation or liability to the Member or the Vendor.

C. REPORTING OF SALES ACTIVITY

7.7 A report of the total gross dollar volume of all equipment/products and related services purchased by NJPA Members as it applies to this RFP and Contract will be provided quarterly to NJPA. The form and content of this reporting will be provided by NJPA to include, but not limited to, name and address of purchasing agency, member number, amount of purchase, and a description of the items purchased.

7.7.1 Zero sales reports: Awarded Vendors are responsible for providing a quarterly sales report of contract sales every quarter regardless of the existence or amount of sales.

D. AUDITS

7.8 No more than once per calendar year during the Contract term, Vendor may be required to make available to NJPA the invoice reports and/or invoice documents from Vendor pertaining to all invoices sent by Vendor and all payments made by NJPA members for all equipment/products and related services purchased under the awarded Contract. NJPA must provide written notice of exercise of this requirement with no less than fourteen (14) business days' notice. NJPA may employ an independent auditor or NJPA may choose to conduct such audit on its own behalf. Upon approval and after the auditor has executed an appropriate confidentiality agreement, Vendor will permit the auditor to review the relevant Vendor documents. NJPA shall be responsible for paying the auditor's fees. The parties will make every reasonable effort to fairly and equitably resolve discrepancies to the satisfaction of both parties. Vendor agrees that the NJPA may audit their records with a reasonable notice to establish total compliance and to verify prices charged under of the Contract are being met. Vendor agrees to provide verifiable documentation and tracking in a timely manner.

E. HUB PARTNER

7.9 Hub Partner: NJPA Members may request to be served through a "Hub Partner" for the purposes of complying with a Law, Regulation, or Rule to which that individual NJPA Member deems to be applicable in their jurisdiction. Hub Partners may bring value to the proposed transactions through consultancy, Disadvantaged Business Entity Credits or other considerations.

7.10 Hub Partner Fees: Fees, costs, or expenses from this Hub Partner levied upon a transaction resulting from this contract, shall be payable by the NJPA Member. The fees, costs, or expenses levied by the Hub Vendor must be clearly itemized in the transaction; and to the extent that the Vendor stands in the chain of title during a transaction resulting from this RFP, the documentation shall be documented to show it is "Executed for the Benefit of [NJPA Member Name]."

F. TRADE-INS

7.11 The value in US Dollars for Trade-ins will be negotiated between NJPA or an NJPA Member, and an Awarded Vendor. That identified "Trade-In" value shall be viewed as a down payment and credited in full against the NJPA purchase price identified in a purchase order issued pursuant to any Awarded NJPA procurement contract. The full value of the trade-in will be consideration.

G. OUT OF STOCK NOTIFICATION

7.12 Vendor shall immediately notify NJPA members upon receipt of order(s) when an out-of-stock occurs. Vendor shall inform the NJPA member regarding the anticipated date of availability for the out-of-stock item(s), and may suggest equivalent substitute(s). The ordering organization shall have the option of accepting the suggested equivalent substitute, or canceling the item from the order. Under no circumstance is Proposer permitted to make unauthorized substitutions. Unfilled or substituted item(s) shall be indicated on the packing list.

H. TERMINATION OF CONTRACT RESULTING FROM THIS RFP

7.13 NJPA reserves the right to cancel the whole or any part of a resulting Contract due to failure by the Vendor to carry out any obligation, term or condition as described in the below procedure. Prior to any termination for cause, the NJPA will provide written notice to the Vendor, opportunity to respond and opportunity to cure. Some examples of material breach include, but are not limited to:

- 7.13.1** The Vendor provides products/equipment or related services that does not meet reasonable quality standards and is not remedied under the warranty;
- 7.13.2** The Vendor fails to ship the products/equipment or related services or provide the delivery and services within a reasonable amount of time;
- 7.13.3** NJPA has reason to believe the Vendor will not or cannot perform to the requirements or expectations of the Contract and issues a request for assurance and Vendor fails to respond;
- 7.13.4** The Vendor fails to observe any of the material terms and conditions of the Contract;
- 7.13.5** The Vendor fails to follow the established procedure for purchase orders, invoices and/or receipt of funds as established by the NJPA and the Vendor in the Contract.
- 7.13.6** The Vendor fails to report quarterly sales;
- 7.13.7** The Vendor fails to actively market this Contract within the guidelines provided in this RFP and the expectations of NJPA defined in the NJPA Contract Launch.
- 7.13.8** In the event the contract has no measurable and defining value or benefit to NJPA or the NJPA member.

7.14 Upon receipt of the written notice of concern, the Vendor shall have ten (10) business days to provide a satisfactory response to the NJPA. Failure on the part of the Vendor to reasonably address all issues of concern may result in Contract cancellation pursuant to this Section. If the issue is not resolved within sixty (60) days, contract will be terminated.

7.15 Any termination shall have no effect on purchases that are in progress at the time the cancellation is received by the NJPA. The NJPA reserves the right to cancel the Contract immediately for convenience, without penalty or recourse, in the event the Vendor is not responsive concerning the remedy, the performance, or the violation issue within the time frame, completely or in part.

7.16 NJPA reserves the right to cancel or suspend the use of any Contract resulting from this RFP if the Vendor files for bankruptcy protection or is acquired by an independent third party. Awarded Vendor will be responsible for disclosing to NJPA any litigation, bankruptcy or suspensions/disbarments that occur during the contract period. Failure to disclose may result in an immediate termination of the contract.

7.17 NJPA may execute Contract termination without cause with a required 60-day written notice of termination. Termination of Contract shall not relieve either party of financial, product or service obligations incurred or accrued prior to termination.

7.18 NJPA may cancel any Contract resulting from this solicitation without any further obligation if any NJPA employee significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the NJPA is found to be in collusion with any Proposer to this RFP for their personal gain. Such cancellation shall be effective upon written notice from the NJPA or a later date if so designated in the notice given. A terminated Contract shall not relieve either party of financial, product or service obligations due to participating member or NJPA.

7.19 Events of Automatic termination to include, but not limited to:

7.19.1 Vendor's failure to remedy a material breach of a Contract resulting from this RFP within sixty (60) days of receipt of notice from NJPA specifying in reasonable detail the nature of such breach; and/or,

7.19.2 Receipt of written information from any authorized agency finding activities of Vendors engaged in pursuant to a Contract resulting from this RFP to be in violation of the law.

8 GENERAL TERMS AND CONDITIONS

A. ADVERTISING A CONTRACT RESULTING FROM THIS RFP

8.1 Proposer/Vendor shall not advertise or publish information concerning this Contract prior to the award being announced by the NJPA. Once the award is made, a Vendor is expected to advertise the awarded Contract to both current and potential NJPA Members.

B. APPLICABLE LAW

8.2 NJPA's interest in a contract resulting from this RFP: Notwithstanding its own use, to the extent NJPA issues this RFP and any resulting contract for the use of its Members, NJPA's interests and liability for said use shall be limited to the competitive proposal process performed and terms and conditions relating to said contract and shall not extend to the products, services, or warranties of the Awarded Vendor or the intended or unintended effects of the product/equipment and services procured there from.

8.3 NJPA Compliance with Minnesota Procurement Law: NJPA will exhaust all avenues to comply with each unique state law or requirement whenever possible. It is the responsibility of each participating NJPA member to ensure to their satisfaction that NJPA contracting process falls within these laws and applicable laws are satisfied. An individual NJPA member using these contracts is deemed by their own accord to be in compliance with their own requirements and procurement regulations.

8.4 Governing Law with respect to delivery and acceptance: All applicable portions of the Minnesota Uniform Commercial Code, all other applicable Minnesota laws, and the applicable laws and rules of delivery and inspection of the Federal Acquisition Regulations (FAR) laws shall govern NJPA contracts resulting from this solicitation.

8.5 Jurisdiction: Any claims pertaining to this RFP and any resulting Contract that develop between NJPA and any other party must be brought forth only in courts in Todd County in the State of Minnesota unless otherwise agreed to.

8.5.1 Purchase Orders issued pursuant to a contract resulting from this solicitation shall be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the purchaser.

8.6 Vendor Compliance with applicable law: Vendor(s) shall comply with all federal, state, or local laws applicable to or pertaining to the transaction, acquisition, manufacturer, suppliers or the sale of the equipment/products and relating services resulting from this RFP.

8.7 Other Laws, whether or not herein contained, shall be included by this reference. It shall be Proposer's/Vendor's responsibility to determine the applicability and requirements of any such laws and to abide by them.

8.8 Indemnity: Each party agrees it will be responsible for its own acts and the result thereof to the extent authorized by law and shall not be responsible for the acts of the other party and the results thereof. NJPA's liability shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, Section §3.736, and other applicable law.

8.9 Prevailing Wage: It shall be the responsibility of the Vendor to comply, when applicable, with prevailing wage legislation in effect in the jurisdiction of the purchaser (NJPA or NJPA Member). It shall be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this Contract and adjust wage rates accordingly.

8.10 Patent and Copyright Infringement: If an article sold and delivered to NJPA or NJPA Members hereunder shall be protected by any applicable patent or copyright, the Vendor agrees to indemnify and hold harmless NJPA and NJPA Members against any and all suits, claims, judgments, and costs instituted or recovered against it by any person on account of the use or sale of such articles by NJPA or NJPA Members in violation or right under such patent or copyright.

C. ASSIGNMENT OF CONTRACT

8.11 No right or interest in this Contract shall be assigned or transferred by the Vendor without prior written permission by the NJPA. No delegation of any duty of the Vendor shall be made without prior written permission of the NJPA. NJPA shall notify members by posting approved assignments on the NJPA website (www.njpacoop.org) within 15 days of NJPA's approval.

8.12 If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. NJPA reserves the right to reject the acquiring person or entity as a Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

D. LIST OF PROPOSERS

8.13 NJPA will not maintain or communicate to a list of proposers. All interested proposers must respond to the solicitation as a result of NJPA solicitation advertisements indicated. Because of the wide scope of the potential Members and qualified national Vendors, NJPA has determined this to be the best method of fairly soliciting proposals.

E. CAPTIONS, HEADINGS, AND ILLUSTRATIONS

8.14 The captions, illustrations, headings, and subheadings in this solicitation are for convenience and ease of understanding and in no way define or limit the scope or intent of this request.

F. DATA PRACTICES

8.15 All materials submitted in response to this RFP will become property of the NJPA and will become public record in accordance with Minnesota Statutes, section 13.591, after the evaluation process is completed. If the Responder submits information in response to this RFP that it believes to be nonpublic

information, as defined by the Minnesota Government Data Practices Act, Minnesota Statute § 13.37, the Responder must:

8.15.1 make the request within thirty days of award/non-award, and include the appropriate statutory justification. Pricing is generally not redactable. The NJPA Legal Department shall review the statement to determine whether the information shall be withheld. If the NJPA determines to disclose the information, the Bids & Contracts department of the NJPA shall inform the Proposer, in writing, of such determination; and

8.15.2 defend any action seeking release of the materials it believes to be nonpublic information, and indemnify and hold harmless the NJPA, its agents and employees, from any judgments or damages awarded against the NJPA in favor of the party requesting the materials, and any and all costs connected with that defense.

8.16 This indemnification survives the NJPA's award of a contract. In submitting a response to this RFP, the Responder agrees that this indemnification survives as long as the confidential information is in possession of the NJPA. When the situation warrants, Proposer may be able redact additional nonpublic information after the evaluation process if legal justification is provided and accepted by NJPA.

G. ENTIRE AGREEMENT

8.17 The Contract, as defined herein, shall constitute the entire understanding between the parties to that Contract. A Contract resulting from this RFP is formed when the NJPA Board of Directors approves and signs the applicable Contract Award & Acceptance document (Form E).

H. FORCE MAJEURE

8.18 Except for payments of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented due to force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence including, but not limited to, the following: acts of God, acts of the public enemy, war, riots, strikes, mobilization, labor disputes, civil disorders, fire, flood, snow, earthquakes, tornadoes or violent wind, tsunamis, wind shears, squalls, Chinooks, blizzards, hail storms, volcanic eruptions, meteor strikes, famine, sink holes, avalanches, lockouts, injunctions-intervention-acts, terrorist events or failures or refusals to act by government authority and/or other similar occurrences where such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with a Contract resulting from this RFP. Force majeure shall not include late deliveries of equipment/products and services caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, or other similar occurrences. If either party is delayed at any time by force majeure, then the delayed party shall notify the other party of such delay within forty-eight (48) hours.

I. GRATUITIES

8.19 NJPA may cancel an awarded Contract by written notice if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Vendor or any agent or representative of the Vendor, to any employee of the NJPA.

J. HAZARDOUS SUBSTANCES

8.20 Proper and applicable Material Safety Data Sheets (MSDS) that are in full compliance with OSHA's Hazard Communication Standard must be provided by the Vendor to NJPA or NJPA Member at the time of purchase.

K. LICENSES

8.21 Proposer shall maintain a current status on all required federal, state, and local licenses, bonds and permits required for the operation of the business that is anticipated to be conducted with NJPA and NJPA members by the Proposer.

8.22 All responding Proposers must be licensed (where required) and have the authority to sell and distribute offered equipment/products and related services to NJPA and NJPA Members nationally. Documentation of required said licenses and authorities, if applicable, is requested to be included in the proposer's response.

L. MATERIAL SUPPLIERS AND SUB-CONTRACTORS

8.23 The awarded Vendor shall be required to supply the names and addresses of sourcing suppliers and sub-contractors as a part of the purchase order when requested by NJPA or the NJPA member.

M. NON-WAIVER OF RIGHTS

8.24 No failure of either party to exercise any power given to it hereunder, nor to insistence upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under a Contract resulting from this RFP shall constitute a waiver of either party's right to demand exact compliance with the terms hereof. Failure by NJPA to take action or assert any right hereunder shall not be deemed as waiver of such right.

N. PROTESTS OF AWARDS MADE

8.25 Protests shall be filed with the NJPA's Executive Director and shall be resolved in accordance with appropriate Minnesota state statutes. Protests will only be accepted from Proposers. A protest must be in writing and filed with NJPA. A protest of an award or proposed award must be filed within ten (10) calendar days after the public notice or announcement of the award. A protest must include:

8.25.1 The name, address and telephone number of the protester;

8.25.2 The original signature of the protester or its representative (you must document the authority of the Representative);

8.25.3 Identification of the solicitation by RFP number;

8.25.4 Identification of the statute or procedure that is alleged to have been violated;

8.25.5 A precise statement of the relevant facts;

8.25.6 Identification of the issues to be resolved;

8.25.7 The aggrieved party's argument and supporting documentation;

8.25.8 The aggrieved party's statement of potential financial damages; and

8.25.9 A protest bond in the name of NJPA and in the amount of 10% of the aggrieved party's statement of potential financial damages.

O. SUSPENSION OR DISBARMENT STATUS

8.26 If within the past five (5) years, any firm, business, person or Proposer responding to NJPA solicitation and submitting a proposal has been lawfully terminated, suspended or precluded from participating in any public procurement activity with a federal, state or local government or education agency the Proposer must include a letter with its response setting forth the name and address of the public procurement unit, the effective date of the suspension or debarment, the duration of the suspension or debarment and the relevant circumstances relating to the suspension or debarment. Any failure to supply such a letter or to disclose pertinent information may result in the cancellation of any Contract. By signing the proposal affidavit, the Proposer certifies that no current suspension or debarment exists.

P. AFFIRMATIVE ACTION AND IMMIGRATION STATUS CERTIFICATION

8.27 An Affirmative Action Plan, Certificate of Affirmative Action or other documentation regarding Affirmative Action may be required by NJPA or NJPA Members relating to a transaction from this RFP. Vendors shall comply with any such requirements or requests.

8.28 Immigration Status Certification may be required by NJPA or NJPA Members relating to a transaction from this RFP. Vendors shall comply with any such requirements or requests.

Q. SEVERABILITY

8.29 In the event that any of the terms of a Contract resulting from this RFP are in conflict with any rule, law, statutory provision or are otherwise unenforceable under the laws or regulations of any government or subdivision thereof, such terms shall be deemed stricken from an awarded Contract resulting from this RFP, but such invalidity or unenforceability shall not invalidate any of the other terms of an awarded Contract resulting from this RFP.

R. RELATIONSHIP OF PARTIES

8.30 No Contract resulting from this RFP shall be considered a contract of employment. The relationship between NJPA and an Awarded Contractor is one of independent contractors each free to exercise judgment and discretion with regard to the conduct of their respective businesses. The parties do not intend the proposed Contract to create, or is to be construed as creating a partnership, joint venture, master-servant, principal-agent, or any other relationship. Except as provided elsewhere in this RFP, neither party may be held liable for acts of omission or commission of the other party and neither party is authorized or has the power to obligate the other party by contract, agreement, warranty, representation or otherwise in any manner whatsoever except as may be expressly provided herein.

PROPOSER ASSURANCE OF COMPLIANCE**Proposal Affidavit Signature Page****PROPOSER'S AFFIDAVIT**

The undersigned, representing the persons, firms and corporations joining in the submission of the foregoing proposal (such persons, firms and corporations hereinafter being referred to as the "Proposer"), being duly sworn on his/her oath, states to the best of his/her belief and knowledge:

1. The undersigned certifies the Proposer is submitting their proposal under their true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, that the Proposer possesses, or will possess prior to the delivery of any equipment/products and related services, all applicable licenses necessary for such delivery to NJPA members agencies nationally, and that they are authorized to act on behalf of, and encumber the "Proposer" in this Contract; and
2. To the best of my knowledge, no Proposer or Potential Proposer, nor any person duly representing the same, has directly or indirectly entered into any agreement or arrangement with any other Proposers, Potential Proposers, any official or employee of the NJPA, or any person, firm or corporation under contract with the NJPA in an effort to influence either the offering or non-offering of certain prices, terms, and conditions relating to this RFP which tends to, or does, lessen or destroy free competition of the Contract sought for by this RFP; and
3. The Proposer or any person on his/her behalf, has not agreed, connived or colluded to produce a deceptive show of competition in the manner of the proposal or award of the referenced contract; and
4. Neither the Proposer nor any officer, director, partner, member or associate of the Proposer, nor any of its employees directly involved in obtaining contracts with the NJPA or any subdivision of the NJPA, has been convicted of false pretenses, attempted false pretenses or conspiracy to commit false pretenses, bribery, attempted bribery or conspiracy to bribe under the laws of any state or federal government for acts or omissions after January 1, 1985; and
5. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request and other documents of this solicitation and that any and all exceptions have been noted in writing and have been included with the proposal submittal; and
6. If awarded a contract, the Proposer will provide the equipment/products and/or services to qualifying members of the NJPA in accordance with the terms, conditions, scope of this RFP, Proposer offered specifications and other documents of this solicitation; and
7. The undersigned, being familiar with and understand the expectations requested and outlined in this RFP under consideration, hereby proposes to deliver through valid requests, Purchase Orders or other acceptable forms ordering and procurement by NJPA Members. Unless otherwise indicated, requested and agreed to on a valid purchase order per this RFP, only new, unused and first quality equipment/products and related services are to be transacted with NJPA Members relating to an awarded contract; and
8. The Proposer has carefully checked the accuracy of all proposed products/equipment and related services and listed total price per unit of purchase in this proposal to include shipping and delivery considerations. In addition, the Proposer accepts all general terms and conditions of this RFP, including all responsibilities of commitment as outlined and proposed; and

9. In submitting this proposal, it is understood that the right is reserved by the NJPA to reject any or all proposals and it is agreed by all parties that this proposal may not be withdrawn during a period of 90 days from the date proposals were opened regarding this RFP; and
10. The Proposer certifies that in performing this Contract they will comply with all applicable provisions of the federal, state, and local laws, regulations, rules, and orders; and
11. The Proposer understands that submitted proposals which are marked "confidential" in their entirety, or those in which a significant portion of the submitted proposal is marked "nonpublic" will not be accepted by NJPA. Pursuant to Minnesota Statute §13.37 only specific parts of the proposal may be labeled a "trade secret." All proposals are nonpublic until the contract is awarded; at which time, both successful and unsuccessful vendors' proposals become public information.
12. The Proposer understands and agrees that NJPA will not be responsible for any information contained within the proposal.
13. By signing below, the Proposer understands it is his or her responsibility as the Vendor to act in protection of labeled information and agree to defend and indemnify NJPA for honoring such designation. Proposer duly realizes failure to so act will constitute a complete waiver and all submitted information will become public information; additionally failure to label any information that is released by NJPA shall constitute a complete waiver of any and all claims for damages caused by the release of the information.

11 NJPA VENDOR PRICE AND PRODUCT CHANGE REQUEST FORM

Section 1. Instructions For Vendor

Pursuant the NJPA RFP, requests for equipment/products or service changes, additions or deletions will be allowed at any time throughout the awarded contract term. All requests must be made in written format by completing sections 2, 3 and 4 of the NJPA Price and Product Change Request Form and signature of an authorized Vendor employee in section 5. All changes are subject to review and approval by the NJPA Contracts & Compliance Manager, signed in acceptance by the NJPA Executive Director and acknowledged by the NJPA Contract Council. Submit request via email to your Contract Manager **AND: PandP@njpacoop.org**.

NJPA's due diligence in analyzing any request for change is to determine if approval of the request is: 1) within the scope of the original RFP and 2) in the "Best Interests of NJPA and NJPA Members." A signed Price and Product Change form will be returned to vendor contact via email.

Vendor must complete this change request form and individually list or attach all items or services subject to change, provide sufficiently detailed explanation and documentation for the change, and include a complete restatement of pricing document in appropriate format (preferably Excel). The pricing document must identify all equipment/products and services being offered and must conform to the following NJPA product/price change naming convention: (Vendor Name) (NJPA Contract #) (effective pricing date); for example, "COMPANY 012411-CPY eff 02-12-2013."

NOTE: New pricing restatement must include all equipment/products and services offered regardless of whether their prices have changed and include a new "effective date" on the pricing documents. This requirement reduces confusion by providing a single, current pricing sheet for each vendor and creates a historical record of pricing.

ADDITIONS. New equipment/products and related services may be added to a contract if such additions are within the scope of the RFP.

DELETIONS. New equipment/products and related services may be deleted from a contract if an item or service is no longer available and thus not relevant to the contract; for example, discontinued, improved, etc.

PRICE CHANGES: Request prices changes in general terms along with the justification by product category for the change; for example, a 3% increase in XYZ Product Line is due to a 3% increase in petroleum, or this list of SKUs/ product descriptions is increasing X% due to X% increase in cost of raw materials.

Price decreases: NJPA expects Vendors to propose their very best prices and anticipates price reductions are due to advancement of technologies and market place efficiencies.

Price increases: Typical acceptable increase requests include increases to Vendor input costs such as petroleum or other applicable commodities, increases in product utility of new compared to old equipment/products or service, etc. Vendor must include reasonable documentation for the claims cited in their request along with detailed justification for why the increase is needed. Special details for price changes must be included with the request along with both current and proposed pricing. Appropriate documentation should be attached to this form, including letters from suppliers announcing price increases.

Refer to section 4 of the RFP for complete "Pricing" details.

Section 3. Detailed Explanation of Need for Changes

List equipment/products and/or services that are changing, being added or deleted from previous contract price list along with the percentage change for each item or category. (Attach a separate, detailed document if more than 10 items.)

--

Provide a general statement and documentation explaining the reasons for these price and/or equipment/product/service changes.

SAMPLES: 1-All paper equipment/products and services increased 5% in price due to transportation and fuel costs (see attached documentation of raw materials increase). 2-The 6400 series floor polisher is added to the product list as a new model replacing the 5400 series. The 6400 series 3% increase reflects technological improvements made that improve the rate of efficiency and useful life. The 5400 series is now included in the "Hot List" at a 20% discount from previous pricing until remaining inventory is liquidated.

--

If adding equipment/products/services, provide a general statement how these are in the scope.

--

If changing prices and/or adding equipment/products/services, provide a general statement that the pricing or equipment/products/services is consistent with existing NJPA contract pricing.

- 2) **Question 1.** A respondent may offer a product or technology that could be provided to NJPA members in different ways. For example, a product could be 1) supplied to an original equipment manufacturer (OEM) who may have a contract with NJPA, 2) upfitted into a turnkey solution that is offered by a vendor with an NJPA contract, or 3) made available for retrofitting directly to a member through an NJPA contract. Does NJPA favor any one of these approaches?

Answer 1. NJPA seeks to provide our members with best-value solutions that address genuine needs. The best approach to providing solutions is fact intensive and may be different for each RFP category. Prospective vendors' business judgment will dictate whether they should consider one or more possible approaches. For example, a vendor may believe that it offers an indispensable product that can easily be retrofitted to a product that an NJPA member already uses (or can easily acquire through another contract pathway). Assuming that the vendor's proposal is responsive in all other respects, NJPA will certainly evaluate such a proposal on its merits. Keep in mind, however, that we also award points based on the depth and breadth of a vendor's offered line of solutions.

NJPA evaluates countless products (or services) that are innovative and helpful. But this does not guarantee that we will award a contract. A "narrower" solution would likely have to meet a substantive, articulated member need in order to meet the RFP criteria. Respondents that believe they can provide even a limited set of "complete" or "turnkey" solutions should strongly consider such an approach. Some of our stronger responses in other categories have included a blend of "a la carte" menus as well as a suite of "standard" or "base" turnkey options. Please keep in mind that the breadth of a solution suite is an important evaluation criteria—but it is also only one of several evaluation criteria.

Without suggesting a favored alternative, NJPA hopes to foster great solutions for our members—irrespective of which channel a vendor decides makes the most business sense. Vendors who align themselves with OEMs or turnkey solution providers may find an opportunity to enhance others' chances of getting a contract award while at the same time bolstering their own business.

Question 2. A vendor makes refuse bodies. Should this vendor also propose a chassis solution as part of the RFP response?

Answer 2. As with question 1, respondents will need to decide for themselves which approach makes the most sense. In some categories, we have seen body manufacturers propose solutions that include pricing commitments from one or more chassis OEMs. But we have also seen proposals that rely on our members purchasing the chassis and arranging delivery for upfitting. Any proposal strategy along this continuum could be a high-quality response that results in a contract award. NJPA looks for competitive, transparent pricing that makes our evaluation process more straightforward. But more important, we want to make it easier for our members to know exactly what they are paying—and what they are getting. Ultimately, our members “vote with their checkbooks.” They are not obligated to purchase off of an NJPA contract, so they will decide whether vendors are providing a best-value solution. Of course, NJPA seeks to award only those vendors who best meet our members' needs. So anything that a vendor can reasonably do to make total acquisition costs clearer will enhance the proposal.

If a vendor of refuse bodies believes that it has a relationship with chassis OEMs that may result in competitive chassis pricing for NJPA members in providing a complete turnkey Mobile Refuse Collection Vehicle, articulating how that could work in the bid response would be a valuable component to add. We understand that itemizing each of a multitude of possible configurations could be an unnecessarily cumbersome process. This approach would not be necessary if a respondent offered a generalized model describing how products would be priced once final specifications have been identified.

The findings of the Proposal Evaluation Committee are summarized as follows:

The Proposal Evaluation Committee used the established NJPA RFP evaluation criteria and determined that all bid responses met Level-One and Level-Two Responsiveness and were evaluated.

The Heil Company offered a large sales and service force, experience within the industry, and full turnkey mobile refuse collection vehicles with accessories including: front loaders, rear loaders, and side loaders. They also offered rental equipment and alternative fuel solutions, which will serve our members' needs.

McNeilus Companies offered refuse bodies, side, front, and rear loaders. They have experience within the industry and a large sales and service force.

Labrie Enviroquip Group offered a broad spectrum of refuse collection body configurations with an assortment of chassis pairings. Labrie also has a strong presence in Canada to meet our members' needs in those areas.

Scranton Manufacturing Company, Inc./New Way offered a large sales and service force with national coverage. They offered mobile refuse body options with an assortment of chassis.

For these reasons the NJPA Proposal Review Committee recommends award of NJPA Contract #112014 to

Labrie Enviroquip Group	112014-LEG
