Linda Tome, Director 561-504-6510 Email: LindaTome@aol.com

Dear Police Chief Katz and City Commissioners of Boynton Beach,

The Bill Tome Foundation for Kids and Families, Inc. is proud to announce that we have been granted 501(c)(3) status by the Internal Revenue Service. As you all know Bill has been in the Boynton Community for 30 years. He has spent these years, tirelessly, raising funds and developing programs designed to prevent crime by keeping kids off the streets and engaged in positive activities with positive role models. He has a long list of volunteers that have been by his side for decades from Boynton Beach, Delray Beach and Boca Raton..

Bill retired from The Boynton Beach Police Department in 2010 and was honored when The City of Boynton Beach named the football and athletic fields after him. “The Bill Tome Sports Complex” has been an inspiration to the Tome family that this work matters and helps to mold young lives. Through the Foundation, Bill and his family intend to continue this work by reigniting some of the athletic tournaments, creating a “Back to School Clothing” program and hosting a Family Fun Day as examples. All programs will have a mentoring component built in. They will all be intended to not only offer opportunities that many of our disadvantaged youth would otherwise never have, but continue a Crime Prevention mentality and development of trust in their local police officers. One of the unique aspects of The Tome Foundation will be our link to the Police communities. The intention is to engage our local Police Departments and their members to become involved as volunteers and supporters.

Currently, we are organizing our “1st Annual” Golf Tournament which will be held at The Seagate Country Club on June 25, 2017. Our sponsorship levels have been developed and can be found on the next page. We would be honored if The Boynton Beach Police Department would be our “Presenting Sponsor”. Local police, fire and sheriff departments will be invited to participate as well. However, we would like to reserve the top Sponsor position for The Boynton Beach Police Department.

Thank you for your consideration to our cause.

Sincerely,

Officer Bill Tome
