Dear Jack & Janet:

Serve the City was a phenomenal success! And that success was possible thanks to you and Eagle Painting!

Twice a year -- once in the Spring and once in the Summer -- No Perfect People, Inc. (NPPI) organizes a day of service here in South Florida. On August 9, 2014, over 1300 volunteers served at more than 20 different not-for-profit organizations! Your generous donations of paint and folks to paint made our events at Kids in Distress and Broward Children's Center possible!

With the help of donations from supporters such as you, we continue to grow and are able to better help those in need in our community.

Best regards,

  
Jim Inglis  
Director of Outreach

TO WHOM IT MAY CONCERN:

Over the past five years, the City of Coral Springs has put out several Painting bids on numerous capital projects that have included City Hall, the Aquatic Complex, The Center for The Arts Building, Public Safety Building, two (2) Fire Stations, and various office and sports group buildings at Mullins Park. The bids were all for labor only as the City had a paint contract with Sherwin Williams and purchased the necessary paint and other materials through this contract.

On everyone of the six paint bids, Eagle Painting has been the low bidder. Each time, staff have met with Jack Field of Eagle Painting to discuss the scope of the projects and developed time frames for job completion prior to the start of each job. Due to the low prices, we have also been able to have additional work completed within the project costs. Additional work has included painting the interiors of six sports group buildings, eight dugouts, twenty-four doors, and the interiors of the Aquatic Complex fitness and class rooms, restrooms, office, gymnasium, and locker rooms.

Jack was responsive to the City's needs, special requests, and the work has always been completed in a timely fashion. Due to the nature of the use of several of these facilities, work could only be done on weekends or evenings at several sites. Jack and his crew were able to accommodate us on this unusual schedule. City staff and the public were never obstructed in any way throughout this project.

City staff inspected the completed jobs and has been very satisfied with the quality of work. The public has also commented very favorably on the new appearance of City Hall, Mullins Park, Public Safety Building, and the Aquatic Complex as well. The City has several more Painting Capital Projects in the budget in coming years and would be pleased to utilize Eagle Painting again should they receive the award. We have also utilized them recently to pressure clean and paint the City's Humane Building as they have proved to be a dependable and efficient painting firm.

If you have any questions, I can be reached at (954) 344-1104.

Re: Painting of The City of Dania Beach Administration Center

Dear Mr. Field,

I want to take this opportunity to thank you for the quality of the waterproofing and paintwork your firm did for this city on our city hall building. In addition to your competitive price, the job was done in a professional manner by competent workers, and within a timely schedule. Care was taken to ensure protection of the grounds and our employees during the duration of the process. Extras to the contract were handled without delay, and the costs were reasonable.

I would hope that your firm would bid on future projects for the City of Dania Beach, if and when they come about.

Sincerely

Dear Mr. Field:

This letter is in reference to the past and recent performance of Eagle Painting while under contract with the Broward County Housing Authority. It would be amiss if the BCHA did not commend your staff and you on the execution of your contract(s).

The Broward County Housing Authority owns and operates over 776 public housing units throughout Broward County. Our timetable initiates painting/sealing of our complexes almost on a yearly schedule. It has been a pleasure to have Eagle Painting be awarded several contracts, over the years, to complete painting restoration. Eagle Painting has been awarded contracts, not only because of the bid, but for several other attributes; your in-house staff, proper insurance, license(s), your knowledge and continued recommendations from all the paint manufacturers. Your ability to recognize existing conditions of our complexes and the remedies to rectify any situation proved your ability and knowledge. Any obstacle was accomplished with ease of a seasoned contractor with expertise, professionalism and a complete understanding of the situation. With our facilities being 100% occupied, your rapport with the tenants was exceptional and the coordination of work with our maintenance staff was scheduled and executed within the time parameters set forth.

It is always a pleasure to work with the *"Eagle Team."* Not only are the contracts finished and accepted before the contract deadline, with no change orders, they are executed with the utmost professional integrity.

Without exception, I commend Eagle Painting for a job well done and recommend, without hesitation, your company's services to others.

Sincerely,

BARBARA SEGAL

Dear Mr. Field:

Too often people are quick to complain and yet never take the time to praise. This letter is an exception to the rule.

The Broward County Housing Authority solicited sealed bids for Exterior Waterproof and Painting at one of our public housing complexes. The BCHA owns and operates over 776 units in unincorporated Broward County. The solicitation produced six qualified bidders. Three of the bids were quickly eliminated for both price and lack of responsiveness to our needs. Of the remaining three each were considered. Price was not the prime factor. The legitimacy of your operation, the fact you employ all your own labor, proper insurance and license in place weighed heavily in your favor. Your familiarity with the various existing conditions of our complexes, your supplier Sherwin Williams responded to all our questions pertaining to warranties, formulations and applications to our satisfaction showed clearly the professionalism of your operation.

The contract work with Eagle Painting from start to finish was organized, neat and clean. If your company chooses to add us to your long list of satisfied customers, please do so. We would highly recommend your company to other organizations planning to paint and waterproof in the future.

Sincerely,

Dear Mr. Field:

We would like to express our gratitude for all the work that you have done for the Hollywood Housing Authority. You and your staff have gone over and above with your service both during and after the work done. Your staff at all times was both courteous and helpful with my staff and all tenants, and they certainly brightened the days for many of the elderly.

We would not hesitate to recommend your company, nor would we hesitate to use your services in the future.

To Whom It May Concern,

Eagle Painting painted the second floor of the Library at Broward Community College's South Campus. This was accomplished during the 1997 winter holidays and had to be completed in a short period of time in order for it all to be done prior to the students returning to school. Eagle Painting performed the work in the short span given them, delivered the work on time and their workmanship was very good. For this reason, I have no problem in recommending Eagle Painting to you.

Dear Mr. Field:

I am writing this letter for a couple reasons, one is to thank you and your team for the wonderful job at The Shoppes at SilverIsles and second so you can share our experience with future customers.

My experience through this entire process was very satisfying, and the professionalism, workmanship and project cost should be applauded. Although we were very apprehensive to fall into the lowest bidder trap, we can honestly say we received so much more than we paid for.

A word about your employees, their professionalism was outstanding. From the beginning of the project, starting with the power washing crew, to the guys in the high lift all the way down to the team of cut-in specialists. They were friendly and above all hard working!

Dear Janet:

On February 14, 2019, the one-year anniversary of the shooting at Marjory Stoneman Douglas High School, the community supported the school in a day of service and remembrance of the 17 victims. One of the service projects chosen by the students was to host a breakfast for first responders, and more 250 first responders from our BSO, fire, and local police attended!

Through generous donations from members of our community like you, the students were able to provide a full breakfast, have a photo booth, a "spin the wheel" for prizes, and a raffle. Your donation helped to create a good start to a very difficult day. Our favorite quote of the day was from a first responder who said, "this was the event that I didn't know I needed."

Thank you so much for helping Church by the Glades minister to our community in a practical, meaningful way that was appreciated by students and our community leaders alike.

Best regards,
